THE Subscriber has made arrangements, by which the Public may be furnished with the above, at a reduced price. Its valuable properties have been very extensively tested by the numerous visitors at the Springs, many of whom have testified in the most grateful manner, their sense of benefit derived from a use of the Water. The analysis by Dr. Chilton, places beyond a doubt, its value in various Chronic Diseases. A very frequent cause of failure, is discontinuing the use of a remedy: this, so far as regards the Caledonia Spring Water, will, it is hoped, be abated by the reduction in price.
