CANKER OF THE MOUTH.—Sore mouth from canker, ulcerated or sore throat, pain in the brest are speedily cured by a few doses of Libby's Pills. These unpleasant and painful complaints are all cured by purifying the blood.

While mercury and bleeding, and other deleterious remidies are becoming more and more unpopular, Libby's Pills are extending the sphere of their usefulness by the appreciation of a discerning public.

It is now well understood how much disorders of the mind depend for their cure upon a due attention to the body. It is now understood how infinite is thao medicine which will remove morbid accumulations without weakening the bodily powers. It is now understood that there is a reciprocal influence between the mind and the body. It is now understood that purging with Libby's Pills will remove melancholy, and that insanity is cured by perseveringly using them. It is now understood how much domestic happiness nepends upon the healthy state of the digestive organs.

It is now well known that Libby's Pills have cured thopsands of hopeless and helpless persons even when the first physicians had pronounced them beyond all human means of relief. It is now not only well known that Libby's Pills do cure, but it is also understood how they cure; and that it is by their purifying effect on the blood that they restore the body to health. ☞ *For sale by* CHARLES HEATH, Princess Street, Kingston.

DR. LIBBY'S BITTERS are a certain cure of Dyspepsy and Nervous Affections: they are peculiarly adapted to remove these distressing complaints, not by constantly physicing, but by strengthening the system. No greater mistake can be made than to suppose that Dyspepsy, or any other disease arising from debility, can be cured by frequent forced action on the bowels with purgative medicines. Where these complaints exist, the system is already too weak, and every additional dose tends to make it more so. The Bitters, on the contrary, acting as a tonic, strengthen the digestive organs and assist them to perform their functions as nature designed. Hence it is found to be efficacious also in those diseases peculiar to females, which arise more frequently from weakness than from any other cause. The aged and infirm of both sexes, and persons of sedentary habits prone to costiveness, who have suffered from loss of appetite, have experienced great benefit from them. In convalescence from fevers, and other acute diseases, it restores strength and vitality. Individuals afflicted with Nervous Headache, and other derangements of the nervous function, have been entirely cured by this remedy. ☞ For sale by CHARLES HEATH, Princess Street, Kingston.

DOCTOR ALLEN'S BALSAM OF HOARHOUND, LIVERWORT & PLEURISY ROOT, for coughs, colds, consumption & liver complaint. Consumption is a disease often secretly lurking in the system for years before there is the least complaint of the lungs; and in this stage it can be cured as effectually and as certainly as any other disease. Let not persons delay the use of medicine, until their lungs are sensibly affected, but in due season resort to Dr. Allen's Balsam of Liverwort. This medicine has proved even the "Conquerer of Physicians," for which all mankind will have abundant cause to bless the hand of providence.

Liver Complaint Cured.—Dr. Allen—Dear Sir:—I have used your Balsam of Hoarhound, Liverwort and Hemlisy Root, in my practice for some months past, and from the wonderful effects it has had, I am fully satisfied that it possesses very superior virtues in the cure of Liver Complaint and Consumption. I do stongly recommend it to the public and the faculty.

Respectfully, J. D. RICHARDSON, M. D.

Weak Lungs and Loss of Voice Cured.—Mary Eliza, eldest daughter of Colvin J. Adam had sudered from weak lungs since the age of 11 years, had generally a cough, pale countenance and loss of strength; this weakness of lungs increased until she was unable to speak a loud word. Her medical adviser gave it as his opinion that she was in consumption, and that no reasonable hope could be entertained of her recovery. The first of last March she commenced using Dr. Allen's Balsam of Hoarhound, Liverwort and Pleurisy Root; the effect it had upon her was astonishing; she regained her voice and health, and is perfectly free from all symptons of consumption or weak lings. The above is a true account of my daughter's case. COLVIN J. ADAMS, Salem.

More Astonishing Effects of Dr. Allen's Balsam. A short time ago an old lady came into our store to get a bottle of Dr. Allen's Balsam of Hoarhound, Liverwort and Pleurisy Root for her daughter, who, she said, was almost gone in consumption. She had not been able to leave her bed in some weeks. The old lady took a bottle home and gave it to her daughter. She had not taken the medicine but four days before she was able to go out, and actually called at our store almost perfectly cured. Such, dear reader, is the effect of this wonderful medicine. Not an instance can be produced of its having failed. For sale, wholesale and retail, by Wm. A. Tyler, 88 Barclay Street, New York, Also, by CHARLES HEATH, Princess Street, Kingston.

CURE FOR WORMS.
B. A. FAHNESTOCK'S VERMIFUGE,
PREPARED BY
B. A. Fahnestock & Co Pittsburgh, Pa.
THIS preparation has now stood the test of several year's trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with worms certainly renders it worthy the attention of Physicians.
The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation; and he invariably found it to produce the most salutary effects; not untrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country: and should induce families always to keep a vial of the preparation in their possession. It is mild in its opperation, and may be administered with perfect safety to the most delicate infant.
The genuine Vermifuge is now put up in one ounce vials, with this impression upon the glass, "FAHNESTOCK'S VERMIFUGE," and the directions accompanying each vial have the signature of the proprietor; any medicine put up in plain ounce vials, and the signature of which does not correspond with the above description, is not my Genuine Vermifuge.
The subscriber deems it his duty to use the above precautions in order to guard the public against mistaking other worm preparations for his deservedly popular Vermifuge.
The above medicine can be had at wholesale of Mr. C. C. Bristol No. 207 main st., Buffalo N. Y., or in New York city of Messrs. Hoadley, Phelps & Co No. 142 water st.

CAUTION.
The public are cautioned against a spurious article lately put forth by a worthless counterfeit in New York city, which is represented to be the "same as Fahnestock's." This article is entirely worthless having none of the virtues of our excellent remedy, the only security to the public is to be very particular to enquire for *B. A. Fahnestock's Vermifuge* and avoid all preparations having similar names.
