CURE FOR WORMS. B. A. FAHNESTOCK'S VERMIFUGE,
PREPARED BY
B. A. Fahneslock & Co. Pillsburgh, Pa.

HIS preparation has now stood the test several year's trial, and is confidently r commended as a safe and effectual medicine

commended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has at ended its administration in every case where the patient was really afflicted with worms certainly renders it worthy the attention of Physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation; and he invariably found it to produce the most salutary effects; not untrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. Thes fact is a tested by the certificates and statements of hundreds of respectable persons in different parts of the country; and should induce families always to keep a vial of the preparation in their pessession. It is mild in its opperation, and may be administered with perfect safety to the most delicate infant.

The genuine Vermifuge is now put up in one ounce vials, with this impression upon the glass, "FAHNESTOCK'S VERMIFUGE," and the directions accompanying each vial bave the signature of the proprietor; any medicine put up in plain ounce vials, and the signature of which does not correspond with the above described.

plain ounce vials, and the signature of which desnot correspond with the above description, is not my Genuine Vermifuge.

The subscriber deems it his duty to use the above precautions in order to guard the public against mistaking other worm preparations for his deservedly popular Vermifuge.

The above medicine can be had at wholesale of Mr. C. C. Bristol No. 207 main st., Buffalo N. Y., or in New York city of Messrs. Hoadley, Phelps & Co No. 142 water st.
