D R. LIBBY's BITTERS are a certain cure of Dyspepsy and Nervous Affectious; they are peculiarly adapted to remove these distressing complaints, not by constantly physicing, but by Arengthening the system. No greater mistake can be made than to suppose that Dyspepsy, or any other disease arising from debility, can be cured by frequent foiced action on the bowels with purgative medicines. Where these complaints exist, the system is already too weak, and every additional dose tends to make it more so. The Bitters, on the contrary, acting as a tonic, strengthen the digestive organs and assist them to perform their functions as nature designed. Hence it is found to be efficacious also in those diseases peculiar to females, which arise more frequently from weakness than from any other cause. The aged and infirm of both sexes, and persons of sedentary hands in the contrary hands of appetite, have experience great hence from them. In convalescence from fevers, and other acute disorders, it restores strength; and individuals afflicted with Nervous Headache, and other derangements of the nervous function, have been entirely cured by this remedy. Let not persons delay the ase of medicine, until their lungs are sensibly affected, but in due season resort to Dr. Ailen's Balsam of Liverwort. This medicine has proved even the "Conquerer of Physicians," for which all mynkind will have abundant cause to bless the hand of providence.

The first of last March she commenced using Dr. Allen's Bilsam of Hoathound, Liverwort and Pleurisy R of; the effect it had upon her was astonishing; she regained her voice and health, and is perfectly free from all symptoms of consumption or weak sings. Nothing contributes so much to our general success in life, as an engaging first appearance. This Lotion is admired as a most tragrant, mild, safe wash, and greatly esteemed for its virtues in cleansing, softening, and purifying the skin of all eruptions, so injurious to female beauty, and restoring it to a high degree of purity.

A beautiful and healthful complexion is the pride of all who possess it, and the envy of those who are deprived of it.

A good appearance is the best recommendation; and as the Beautifung Lotion purifies the skin, and removes all Pimples, Blotches, Tan, Sunburn, and Redness, and produces a beautiful line, it is the only cosmetic a lady should use at her toilet. Nothing contributes so much to our general

ful hue, it is the only cosmetic a lady should use at her toilet.

Gentlemen will also find this a delightful remedy to remove all Roughness, Pimples, Ringworms, Spots, Redness, Soreness of the face and nose, & every kind of eruption on the surface of the human body. It is particularly recommended to gentlemen to be used after shaving, as it will prevent the otherwise certain effect of all common somp in turning the beard prematurely errey. grey.
