are now being circulated in Quebec.

On Wednesday, Wm. McKay, of
Georgetown, dropped dead white curling
on the rink.

Thirty-one million dollars worth of
gold was obtained from mines in the
United States last year.

The Montreal ice carnival was in-
augurated on Monday. The city is
overflowing with strangers, many
Americans being present. The great
ice palace is an imposing structure.

The proprietor of a fashionable
skating rink in Boston has been fined
\$50 and costs in two suits, for refusing
to allow colored men to skate in
his establishment.

Mrs. Grant has given her consent to
Vanderbilt's proposition to secure to

sion of General Grant's war relics and
souvenirs of his journey round the

The expense incurred by Hunger-
ford township, Hastings, in allaying the

A Kingston telegram says:—On

At St. John's (Nfld.) Richard Har-
per, Michael Cody and seventeen other

French, on St. Stephen's Day, were ac-
quitted. But they were immediately
re-committed, charged with the mur-
der at the same time of the three

The most daring robbery ever com-
mitted happened in Hamilton on Wed-
nesday evening. About nine o'clock
two men stepped in front of Taylor's
jewellery store, broke a pane of glass
and abstracted about \$500 worth of
jewellery. Numbers of people were
passing and a dozen saw the affair,
but no one interfered.

Herbert Gladstone, addressing a
meeting at Leeds, said the fact could
not be denied that England was on the
eve of a great crisis. He had no
misgivings in regard to the franchise,
which would have a great effect in the
future upon the composition of political
parties. He anticipated a renew-
al of the Crimes Act in Ireland, and
its vigorous enforcement.
