You knew the secret known to few, The fos to youth is strong emotion our beauty was so much to you, You only read love's preface thro' You never ventured on the ocean. But in the calm bay idly tossed. While ships sailed by you and were lost.

But hark you now! this little world Is but one phase of our existence. In other forms our souls, unfurled-To other spheres and planets hurled— Shall compass all the seas of distance; And all the pleasure or the pain We once bestowed, we shall attain !

And you-now mark me, lady fair !-You shall in your next incarnation Know all the anguish and despair, The mighty love, the griof, the care, That here had been your soul's salvation, We must receive what we have given Before we reach the final heaven.

Your heart shall be torn into strings And thrummed at some hand's idie pleasu You shall know all the pain joy brings-You shall feel passion's thrills and stings— And plunge in depths fear cannot measur God's last eternal rest above Is gained through suffering and-love. -Ella Wheeler Wilcox.

Musical and Dramutic Notes.
