

**READ THIS CAREFULLY.**

With a view of increasing the circulation of the *REPORTER*, we have decided to offer the paper for the balance of this year, to *New Subscribers* for only 25 cents, in advance. We ask all our readers to assist us in this endeavor to increase our circulation. If each of our present subscribers would remit 25 cents and order the paper to be sent to some friend, our circulation would be increased to a good paying basis. Will you assist us in this? We mail a few Sample Copies this week to members of Agricultural Societies, and beg to say that a full report of all the directors' meetings of the Unionville Fair will appear in these columns and also the reports of the judges on growing crops, as well as a list of the judges appointed for the fall exhibition. The list of special prizes offered in competition at Unionville will also appear, and after the exhibition the prize list will be published in full. Full reports of the exhibitions (and very probably the prize lists) of the Delta, Frankville, Lyndhurst, Lombardy, and Elgin fairs will be published in a supplement. To those interested in agricultural matters, the above offer is alone worth double the price asked for the paper. Our circulation is increasing so fast as we could expect, and we ask our friends to assist us in making a Big Push to increase our circulation and influence. Our part we promise to do all in our power to give our patrons a live, readable little paper.

**Furs.**

Phil. Wiltse has a very fine display of furs, in Coon, Astrachan, and Persian Lamb, on exhibition in front of his store. The display would do credit to any county town.

**Appointment.**

We are pleased to learn that M. J. Connolly, of Caintown, has been appointed Clerk of the Mallorytown Division Court.

**Another Victory.**

Our boys feel jolly over the defeat of the whole baseball fraternity of the back country, at the Harlem picnic, but especially over the clean sweep they made of the Pishrangers, of Motion. The score stood 26 for our boys to four for the Pishrangers, with four innings to play.

**Business Education.**

Brockville Business College has gained the front rank among the Colleges of Canada. Nearly two hundred students have been in attendance during the past year. The course offered in this college is most thorough and complete and will afford young persons just the preparation necessary to enter upon any business calling. The rates at this school for board, books and tuition are cheaper than at any other business college. Write for prospectus.

**Funeral.**

Funeral services for a number of the members of the Methodist Church will be held on Monday, the 27th inst., at the residence of Miss M. Donovan, who has just departed and so lately filled the post of organist in the Methodist Church. The following address was read by Mrs. I. Algire:

Mrs. A. E. Donovan:

Dear Madam: We, a few of your friends of the Methodist Church, Farmersville, approach you to give expression to the feelings of affection and esteem which we have for you personally, and to assure you of our best wishes; and we pray our Heavenly Father to grant that your woe-filled life may abound in purest joys, that your home may be pervaded by the sweet influences of our Holy Religion, and that heaven's choicest blessings may always rest upon yourself and husband. We also assure you that we appreciate very highly your musical talents, and that we have been much pleased and profited by their exercise. As a slight token of gratitude for your valuable and gratuitous services as organist of our Church, we desire you to accept the accompanying pieces of silver.

Farmersville, September, 1886.

Mrs. Atza Parish made the presentation, which consisted of several handsome pieces of silver. A. E. Donovan, on behalf of his wife, made an appropriate acknowledgment of the gift, and thanked the company for the sentiments expressed in the address. After a pleasant evening, heralded with sparkling conversation and delightful music, the party broke up.

**Baseball.**

A game of baseball was played on the High School grounds here on Saturday last, between the second nines of Frankville and Farmersville. Our boys knew nothing about the Frankville boys wanting to play until they arrived here, but a match was soon arranged. After a short but spirited contest, the score stood 62 for Farmersville to 29 for Frankville, when the tallmen fagged right out and the game came to a sudden termination.

**Dismissed.**

Ann Coby had B. Cadwell summoned before Police Magistrate Deacon on Tuesday last, for alleged assault. After hearing the evidence, His Honor dismissed the case.

**Delta Fair.**

As we go to press the Delta Fair is in progress. Yesterday, the opening day, was fine, but cold. Although the attendance was small, the exhibits were larger in most of the classes than last year. A full report will appear in our next.

**Our Mineral Springs.**

During the past few weeks, Mr. Algire, the proprietor of the land on which the mineral springs are situated, has thoroughly cleaned out the springs several times; and as soon as the water is settled and clear enough, he proposes to send a quantity to Toronto for proper analysis. During Mr. Algire's visit to Massena Springs, he became convinced that the waters of the springs here possessed medicinal properties equally as good as the Massena springs, and if the report of the analyst is favorable, he will next season fit up the springs and place their true medicinal properties before the public, with the view of building up their reputation as a place of public resort. With a beautiful and healthy location, with Lake Charleston in close proximity, and with railroad facilities which will render travel to and from convenient and expeditious, we see no reason why Farmersville should not take a foremost place among the inland summer resorts of the continent. We shall have more to say on this subject in a future issue.

**The Railway.**

The Brockville Recorder of Friday last says:—A meeting of the board of directors of the Brockville & Westport railway was held here yesterday when the offer of an English company, made through Mr. E. M. Cole, to purchase the bonds of the road was accepted, provided the purchasers advance \$100,000 by October 1st. Mr. Smeilie and Mr. Clarkson Jones, of Toronto, president of the board, accordingly left for New York yesterday to execute a power of attorney for issuing the bonds. Before starting Mr. Jones advanced his personal cheque for \$5,000 to be used in having the work go on at once and stated further that he would have advanced \$20,000 had he been apprised of the true state of affairs. Mr. Smeilie will be back on Monday and will at once start out over the line to complete the purchase of right of way.
