LOCAL NEWS.

All the Current Events of Farmersville and Vicinity Correctly Reported.

Business.

Building operations continue brisk. Every available mechanic is engaged.

Natural Curiosity.

Wm. T. Tennant, of Chantown, picked nearly a quart of beautiful, ripe berries from his strawberry beds yesterday, and sent the REPORTER a sample.

Crowded Out.

Owing to the space we devote to the Plum Hollow tragedy, we are unable to publish all the local and county news which came to our reportorial table this week, and our notes of the Frankville fair are crowded out altogether.

Dedication.

The new Methodist Church at Lombardy will be dedicated next Sunday. The Rev. Dr. Carman and other celebrities will be present at morning and evening services. The inaugural tea-meeting will be held on Friday, the 15th inst., in the Lombardy town hall.

Sidewalk Repairs.

Crossings have been put down from in front of the post office to Phil. Wiltse's store; another in front of the "Great Bargain House," and a much needed one opposite the Baptist church. A large amount of repairs have been made to the sidewalks in different places.

Business Education.

Brockville Business College still excels all others in the thoroughness of the work done, in the success of its graduates and in the patronage of the business community. No examinations on entering. Students receive individual instruction. Rates cheaper than at any other first-class college in Canada. It is the best. Send for their circulars.

Off to the Woods.

R. B. Algire, Division Court Clerk, having obtained leave of absence for a time, will start to-morrow on a deer-hunting expedition in the backwoods. Howard Kelsey, Justus Smith and Adelbert Woods make up the rest of the party. Game will have to be very scarce if these veteran hunters do not return with big bags. The Division Court business will meanwhile be attended to by I. C. Algire.

School Entertainment.

The little brick school house down on the Addisonroad was crowded to the doors, and even standing room was at a discount, on Friday evening last. The entertainment was under the management of Mr. Frank Cornell, the popular and efficient teacher of the school, and we feel satisfied, from the way he handled the entertainment and the perfect control he had over the scholars, that he is a teacher possessing particularly aptness for his vocation. The programme was a varied and lengthy one, and gave unbounded satisfaction, one particular feature that took immensely with the audience, being the Kindergarten songs by about a dozen of the boys and girls. The pieces "Tinker Man," and "Tramper," were encored, and the popular songs "Jane" and "Grandma" were much appreciated. We refrain from giving the names of any of the participants, as to individualize would require more space than we can spare. We must not forget to say, however, that the clown's hit on Deputy Reeve Halliday making away with the plum pudding brought down the house. The proceeds amounted to over $17.00.

CURRENT PRICES.

With the view of benefiting our patrons, we make a new departure this week by publishing a report of the prices current in Farmersville for farm, dairy and garden products. This report will be made up every Tuesday afternoon, and may be relied upon as accurate.

COUNTY NEWS.

Newboro.

There has been a regular epidemic of whiskey lately. No less than five persons are charged with selling it. A pedler named Kennedy, from Perth is wanted. He drives around with bottles in sleighs, and sells to people where he meets them. He will not have his big nose around here long. Other parties suspected are under arrest.

Westport.

Everything betokens Westport will be a place of considerable importance yet.

The Rev. S. D. Chown gave a lecture here on Monday the 4th inst. His subject was the enforcement of the Scott Act and Political Action thereto. His address was well appreciated. Short addresses were also given by Rev. David Y. Ross, M.A., Rev. Mr. Emerson and Rev. Mr. Tripp. The doctors got severely censured for violating the spirit of the law. An Electoral Union was formed; it is expected that forty or fifty votes will be solid in this township for a prohibitionist candidate.
