

**A Liberal Offer.**

We have made arrangements with the publishers of the *Weekly Globe* to club that paper with the *Recorder* for 1887. The two papers taken together will be furnished from this date or from any date up to the first of January next, until the end of 1887, for the small sum of \$1.75. Parties subscribing now will get both papers for nearly fifteen months at 25 cents less than the ordinary price for one year. The contents of the *Globe* during the next few months will be of unusual interest, as the doings of the Dominion and Provincial Parliaments will be reported at length. Our readers will readily perceive the advantages we are offering, and the importance of remitting without delay to secure the full benefit of the offer. All subscriptions must be paid strictly in advance. This offer is not restricted to new subscribers, but is open to all who choose to avail themselves of it.

**LOCAL NEWS.**

All the Current Events of Farmersville and Vicinity Correctly Reported.

**Evangelical Meetings.**  
Rev. S. Sheldon is holding evangelical meetings every evening in the Baptist church. All are cordially invited.

**Held Over.**  
Several items of local interest, as well as a letter from the Farmersville W. C. T. U., are unavoidably crowded out of this issue, but will appear in our next.

West's Cough Syrup, the household remedy for coughs, colds, sore throat, influenza, bronchitis, whooping-cough, asthma and consumption. All druggists.

**Door Hunt.**  
Roid Albrecht, after a short stay with the hunting party at Sharbot lake, returned home last Thursday evening, bringing with him two very fine deer, one weighing over 250 pounds.

Delays are dangerous. Procure a bottle of West's Cough Syrup at once and cure that troublesome hacking cough and sore throat, relieving pain and misery. It is the household remedy for all throat and lung diseases. All druggists.

**On Trial Again.**  
The two "lucky boys" who were acquitted on the charge of murder, are to have their preliminary hearing at Delta today, on the charge of house-breaking.

**Plymouth Brethren.**  
The Plymouth Brethren held evangelical meetings in the town hall every evening last week, excepting Saturday; but owing to the disagreeable weather the meetings were very poorly attended.

All enterprising druggists wishing to supply their customers with the best, keep West's Cough Syrup and recommend it, for it is the best made.

**Leeds to the Front.**  
This county received the first place for cheese at Provincial Exhibition. The sample was made at Leeds Union Factory near Lynn, which is presided over by Geo. Whitmore and wife and their son, A. Whitmore.

**Farmersville is the Spot.**  
The Frankville correspondent of the *Recorder* says: "Weddings have been the order of the day here this fall, and all our marrying men look abroad for their wives, going to North Augusta, Farmersville, Aylmer and other places."

Do not neglect a cold or cough, as it frequently results in consumption. You will find a never-failing remedy in West's Cough Syrup. All druggists.

**Business Education.**  
Brockville Business College still excels all others in the thoroughness of the work done, in the success of its graduates and in the patronage of the business community. No examinations on entering. Students receive individual instruction. Rates cheaper than at any other first-class college in Canada. It is the best. Send for their circulars.

McLaughlin has removed her dress and mantle making establishments from the room over Beach's store to the house lately occupied by Matt. Ritter, on Mill street, where she is preparing to fill orders in the best, latest and most fashionable styles. Mrs. Geo. Healy wishes to take a few boarders in the same house.

**Anniversary Services.**  
The Methodist church was packed full at both services on Sunday. The anniversary sermons were preached by the Rev. W. W. Carson, of Ottawa. His discourse was eloquent and powerful expositions of biblical truth, and throughout the congregations were held as by a spell, while the preacher uttered sentences after sentences, in which original thought sparkled, old truths appeared in a new and attractive dress, and appropriate illustrations and quiet humor were not omitted. Mr. Carson was sustained on the platform for some nineteen years ago, and his present visit will, no doubt, revive many old friendships.

Ask your friends to subscribe for the *Recorder*. Only \$1 to Jan'y 1st, 1888.  
**Tea Meeting.**  
The annual tea meeting of the Methodist church took place on Monday evening, and was one of the most successful ever held here. The spread provided by the ladies of the church was in all respects excellent, and about 200 persons of the delicacies

to the anniversary by the announcement that the Rev. W. W. Carson would deliver his lecture on "Business, Politics and Religion." After hearing the lecture we unhesitatingly affirm that a lecture from Mr. Carson would fill the church without the aid of a tea meeting, or any other attraction. We regret that the space at our disposal does not admit of an extended report. The reverend lecturer handled his subject with eloquence and skill, and in spite of the lateness of the hour when the chair was taken, he kept the undivided attention of the audience for an hour and a-half. S. A. Taplin, Esq., president, and the Rev. Mr. Service gave brief addresses. Chorus were rendered by the choir, and Frank Euford, of Brockville, sang a solo which met with deserved applause. The proceeds of the tea meeting amounted to about \$82, which, added to the Sunday collections, make the net amount realized by the anniversary \$94.70.

The *Recorder* from now until January 1st, 1888, for only one dollar.

Both cases were, however, adjourned until Tuesday, when sufficient evidence was brought against defendant to convict him on the first charge, and he was fined \$50 and costs. The second case was dismissed. Mr. Jas. P. P., of the Victoria Hotel, was also brought before the magistrate and fined \$50 and costs for keeping a liquor on his premises. The lawyers in all three cases were Mr. F. G. Malloch for the plaintiff, and Mr. A. C. Shaw for the de-
