

**Up!**

Don't mean to tell you to...  
possibly, you are already  
if not you are quite likely  
that matter without any  
... But we want you to  
our circulation this sea-  
hope you take a pride in  
of the Reporter family, and  
you rejoice in the past success  
this paper and desire to aid us in ex-  
tending its field of usefulness. And  
remember that we furnish the  
Reporter and the Weekly Globe from  
now until the end of 1887 for only one  
dollar and seventy five cents. Just a  
little effort on the part of each sub-  
scriber will accomplish what we are  
aiming at, viz., to increase our circula-  
tion to double its present number.  
And remember, too, that we pay a  
cash commission to all who are willing  
to canvass for subscribers. Write us a  
postal card for special terms to agents  
and canvassers. Address

**THE REPORTER.**

**FARMERSVILLE AND VICINITY.**

Our Reporter's Note Book Turned Inside  
Out for the Benefit of the Public.

**The Weather.**  
The Thermometer registered 12 de-  
grees below zero on Saturday and 15  
on Sunday night and it has been  
slowly getting warmer since.

**Farmersville Cemetery.**  
The first body placed in the new  
Cemetery Vault, was a 13 year old  
daughter of Justus Robeson, of Hard  
Island, who died on Thursday last, of  
spinal disease.

West's Cough Syrup, a certain and  
speedy cure for coughs, colds, and all  
throat and lung diseases.

**Tea Meeting.**  
The annual tea-meeting of the Chan-  
try Church (Bostard centre) will be  
held on the 22nd inst. Arrangements  
have been made to have this meeting a  
grand success.

**Electric Light at Gananoquo.**  
The electric light was turned on for  
the first time in Gananoquo on Wed-  
nesday evening last. The light is  
strong and steady and seemed in every  
way satisfactory.

**Not Accepted.**  
The communication from "Ness" on  
Mr. Fraser's meetings is not published,  
because the writer omitted to send  
his name, and also because our report  
fully covers the ground.

West's Liver Pills, the standard remedy  
for liver complaint, dyspepsia, indigestion  
and sick headache. Thirty sugar-coated  
pills, 25c. All druggists.

**The E., W. & S. M. Railway.**  
We understand that it is the intention  
of the promoters of this railway to  
call a meeting of those having con-  
tracts, or who are in any way connect-  
ed with the road, to try to come to  
some arrangement whereby the work  
may be pushed to completion as speed-  
ily as possible. We are not at liberty  
to state what the propositions are, but  
we believe that the arrangements will  
be such as will secure the early com-  
pletion of the line.

**Dedication.**  
The new Methodist Church at New  
Dublin will be dedicated on Thursday,  
the 16th inst. Rev. Geo. McRitchie  
will preach the dedicatory sermon at  
10.30 a. m. At 12 o'clock there will  
be a dinner service, and at 2.30 there  
will be a platform meeting addressed  
by a number of prominent speakers.  
At 8 p. m. there will be an order sub-  
ber, followed by a lecture and address.  
The proceedings will be interspersed  
with vocal and instrumental music.  
The public are cordially invited. The  
tickets to the dinner or supper are fixed  
at 40 cents.

West's Cough Syrup instantly relieves  
and speedily cures bronchitis, sore throat  
and all throat diseases. Try it and be  
convinced. All druggists.

**Personal.**  
R. G. Murphy, Esq., Elgin, pas-  
ed through here on his way to visit his  
brother, Dr. W. W. Murphy, at Los An-  
geles, California.

Miss M. E. Boyd, teacher in Victoria  
school, Brockville, spent Sunday with  
her sister Mrs. M. Boyd, at the resi-  
dence of B. Laverin.

Hon. A. N. Richards, ex-Lieut. Gov-  
of B. Col., who has been on a visit to  
friends in Brockville, left on Monday  
last for British Columbia. It is rum-  
oured that he will enter the political  
arena in that Province.

**Next Week.**  
Next week we propose devoting three  
or four columns of our first page to a  
discription of Farmersville and espe-  
cially to noting the improvements made  
in the village during the past season.  
We shall call on owners of all the new  
buildings erected or rebuilt during the  
season, sometime during the next few  
days, and hope that they will kindly  
assist us in this undertaking by being  
prepared with such information as to  
the size of buildings or contracts or  
names, etc., as will enable us to prepare  
a correct and interesting article. The  
following week we propose strolling  
around amongst our business centres  
and giving the public the benefit of our  
observations. We shall probably get  
out an extra edition of from 500 to  
1,000 copies which we will be pleas-  
ed to sell to our business men and  
others for advertising purposes, at rea-  
sonable prices.

West's Cough Syrup, the most reliable  
remedy for all throat and lung diseases.  
For safety keep it always in the house.  
All druggists.

**Our Poultry Fair.**  
On Saturday next our annual poultry  
fair will be held. All the leading  
layers have signified their intention of  
being present, and as we have quite a  
number of local buyers here who are  
purchasing on their own account, it is  
likely that there will be a keen and  
lively competition. The Farmersville  
poultry fair has become an event which  
is looked for with interest by breeders  
in the surrounding country, and this  
year sets to be a big day for the

farmers and poultry raisers, who often  
they will sell their poultry for ready  
cash, when they will be in a position  
to buy the commodities they require.  
Our merchants will be prepared, with  
all the newest and best goods in the  
market, to supply their wants. We  
believe that our merchants are in a  
position to get as good value for the  
money as can be obtained in any town  
in the country. From what we can  
learn there is a prospect of a large in-  
crease in the quantity brought here  
for sale, as poultry raisers are satisfied  
that they can do better here than at  
any other point. Prices are expected  
to be fully as high, if not higher, than  
last year. We hope all our readers  
living within reasonable distance of  
Farmersville will make a note of the  
date and be sure to come here with  
their poultry. We ask all those con-  
templating killing poultry for this  
market to carefully study the rules for  
dressing poultry found on hand bills  
put out by the buyers. Remember  
that poultry dressed according to in-  
structions will bring from one to two  
cents per pound more than that which  
is poorly dressed, and slovenly taken  
care of.

We employ no travelling agents, but  
ask all our subscribers to assist us by  
getting their friends and neighbors to sub-  
scribe. Anyone sending us nine new  
subscriptions will be given a copy for one  
year free.

**Scott Act Cases.**  
W. C. Hayes was up before P. M.  
Denon last week and fined \$50.00 and  
costs for violation of the Scott Act.  
"Dr." Mosier was also fined \$50.00  
and costs, for 30 days in jail. He off-  
ered some chattels in payment which  
were placed under execution and will  
be sold in a few days.

After our forms were made up last  
night we learned that the case against  
Fred Pierce, of the Gable House,  
had been dismissed. No particulars  
have reached us this a. m.

**Plum Hollow Cheese Factory.**  
The patrons of this popular factory  
met at the residence of Mr. J. Knapp  
one evening last week, to receive a  
statement of the season's business.  
Between fifty and sixty patrons were  
present. Mr. Ambrose Derbyshire,  
the efficient sec. treas, read the finan-  
cial statement for the year, from  
which we make the following extracts:

Total amount of milk received at the  
factory, 2,133,223 pounds.  
Amount of cheese manufactured, 212,  
001 pounds.  
Number of boxes, 3,163.  
Amount of money received for cheese,  
\$19,090.35.

Price per pound, 9 cents.  
Net price to patrons, 7 1/2 cents.  
Pounds of milk to pound of cheese, 10.  
A resolution receiving and adopting  
the report, as well as thanking the  
sec. treas. and the salesman (John  
Hansen), was carried unanimously. As  
a fitting sequel to the successful show-  
ing for the year, we understand that  
nearly every patron signed the milk  
contract for another year. Mr. Jos.  
Knapp, the popular proprietor, is to  
be congratulated upon the successful  
termination of the season's business,  
showing as it does that the patrons  
have every confidence in his ability  
to run the business of the factory to  
the mutual benefit and satisfaction of  
all its patrons.

The Reporter from now until January  
1st, 1888, for only one dollar.

**CORRESPONDENCE.**

**Editor Reporter.** The public may wonder  
why the members of the W. C. T. U.  
have not gone to Brockville to day.  
We got legal advice on the question  
and found the subpoenas were not bind-  
ing upon us as they were no legally-  
issued. Then we received a letter from  
Mr. Pierce, saying he would withdraw  
them, and apologizing for having is-  
sued them. We will give full particu-  
lars next week.  
W. C. T. U.  
Farmersville, Dec. 7th

**Editor Reporter.** Will you kindly allow  
me, through the columns of the Re-  
porter, to thank my many friends for a  
very beautiful coon skin coat and a  
fine, large robe which through their  
consideration and generosity, came into  
my possession last Saturday evening.  
And let me say further, that it is not  
for the useful and valuable articles alone  
that I am thankful, but also for the  
good wishes and kind feelings that  
prompted these friends to do so much  
for me. May the Lord himself reward  
them and make my labors a blessing to  
them.  
Yours Sincerely,  
S. SHELDON.  
Farmersville, Dec. 6th.
