FARMERSVILLE, JULY 19, 1887.

LOCAL AND OTHER NOTES.

From the Pencil of our Own News-Gatherer.

Miller's Pain Cure is the best remedy in the world for sudden attacks. It is safe, sure and speedy, and travellers find it indispensable. Try it. 25 cents.

The young men and boys of Farmersville are taking a great deal of lacrosse practice. We think a club could be formed here which would give a good account of itself.

Mr. Geo. Ackland, of Porfara, a graduate of the Ontario Veterinary College, has commenced the practice of his profession. He will make weekly visits to Elgin, Portland, Newboro and Westport.

The demand for Lamb's Diarrhoea cure is daily increasing. It should be kept in every house at this season. A few doses always cures when the symptoms first appear. Try it and you will never take any other.

At the morning service in the Methodist Church next Sunday, Emerson's arrangement of Matt. xi. 28-29, will be sung as an anthem. At the evening service the anthem will be "Behold, ye shall see the Son of Man," by Chapman.

The total assessment of Rear of Yonge and Escott for 1887 is \$638,000. The total area of municipality is 29,380 acres, of which 15,602 acres are under cultivation. There are about 8,000 acres of timber, and nearly 6,000 acres of swamp, water and marsh.

The Robeson family were apprised by telegraph on Monday that their brother Horatio (whose serious illness was noticed in our last issue) died on Sunday night. Several members of the family left for Norfolk, N. Y., where the funeral will be held this (Tuesday) afternoon.

A meeting of the Directors of the Unionville Fair will be held on Wednesday, July 27th, at one p. m., for the appointment of Judges and making the final arrangements for the fair to be held on the 14th, 15th and 16th Sept. A full attendance of the members of the board is requested.

Messes. T. M. Porter, C. H. Cornwell, F. F. Bristow and Israel Johnston started on a camping expedition on Monday last. They go to Charleston lake, and portage from there into the Lyndhurst waters, where they will spend a few days. They will go from there to Norton and Jones Falls, and some of the party will there take the Ella Ross for round trip down through the Thousand Islands.

Israel Powell, of Plum Hollow, an old cheese maker, is this season making a specialty of putting up cheese into small packages, weighing from two to three and a half pounds each. They are handled the same as ordinary cheese and specially designed for small families, camping parties &c. The convenience in handling a small firm little roll of cheese, compared with the former plan of taking a cut from a large one, which is very liable to get broken up in handling, is one which will bring this new departure of Mr. Powell's into popularity. We have tried them and can conscientiously recommend the quality and flavor as first class.

An event of great interest to the Masonic fraternity took place at Brockville last week, the thirty-second annual communication of the Grand Lodge of A. F. and A. M. of Canada. The attendance of Masons was very large, and the local brethren were on all hands complimented upon the perfect arrangements they had perfected for the accommodation of the immense influx of visiting brethren. An incident of the session of local interest was the installation of Dr. Sinclair of Delta, as Deputy Grand Master of St. Lawrence District. The differences existing between the Lodges at Delta and Newboro were adjudicated upon, the decision being in favor of the view held by the Delta brethren.

On Sunday there occurred an accident which providentially did not have serious results, but which, to the onlookers appeared as if it would end in loss of life. George, a young son of Mr. James Stevens, was driving a buggy in which were seated three of his little sisters, one a mere baby. When passing mother rig the latter suddenly stopped and the wheels of the children's buggy became locked in the other vehicle, and was overturned by a bound of the horse. George and Stella were thrown out immediately, while Clara and the baby remained in the buggy and were dragged a little distance by the frightened animal, before a bystander could seize the bride. To the surprise of all who witnessed the accident the children escaped with mere scratches, while the damage to the buggy was slight.

EXAMINATIONS.

The third class examinations concluded on Saturday last. The presiding examiner was Mr. T. M. Porter, and Messrs. Smellie and Holmes Eyre were associated with him. Following is a list of those who wrote: Anna Allyn, Jennie Barrington, Maggie Bellamy, Emma Blackman, Nellie Blanchard, Lillie E. Brown, Elsie Clow, Isadore Clow, Bertha Day, Mattie Donovan, Katie Dunn, Eva E. Eaton, Ella Farrar, Jennie Gibson, Maria Gowan, Susan Hanna, Irene Justice, Martha Livingstone, Annie Monahan, Laura Mansell, Naomi McCormack, Cecelia Metcalfe, Williametta Moore, Anna Morris, Polly Mul-

vil, Louisa Mulvaugh, Maud Myers, Mary E. O'Neil, Carrie Patterson, Jennie Purvis, Mary Quinn, Sarah Quinn, Mattie Ripley, Maria Rhoads, Nellie Robertson, Ada M. Sexton, Carolina E. Taggart, Mina Templeton, Metta Williamson, Lillie Wiltsie, Adelbert Barber, Arch. Bellamy, Geo. Berry, William Blanchard, Percy Brown, Windsor Chapman, Jos. A. Clark, Adelbert Dobbs, Robt. Gardiner, Sheldon Holmes, Geo. H. Howard, Malcolm Leely, Wm. A. Lewis, Robt. H. McAnnamond, Jas. McGuire, John Patterson, Robt. Redmond, Moses Howard Seed, Chas. W. Service, Thos. Spence.

Elbe Mills.

The dry weather is doing great damage to spring grain. Mr. Jas. Gibson has purchased a Toronto Steel Binder from Mr. T. Borne and commenced cutting fall grain on Friday, 15th inst.

Miss Giles, who had been engaged as teacher for our school, having received an offer of higher wages from another section our trustees very generously released her from her engagement here.

Mrs. Chas. Johnston started on Wednesday last on a visit to relatives in Minnesota and Dakota. She intends travelling by boat to Chicago.

Elgin.

Dominion day dawned bright, fair and extremely warm. Most of the citizens of Elgin hurried off to Newboro to see the celebration. Those that remained at home did not altogether lose the celebration as they were entertained by a band of young juveniles, who came to the village with a flag, fife and drums. They serenaded us with "The girl I left behind me" and other popular melodies. The father of the village treated them to pop, candy and nuts.

Mrs. Cliecosman, of Farmersville, is here, visiting her sister, Mrs. Laisley. Our old citizen, W. Laisley, paid us a flying visit this week. The weather is hot, hotter hottest. (Received too late for last week.)

Elgin.

One of our sharpest men bought a very fine buckskin colt the other day from a Rock Spring man, and returned it next day to its former owner, with interest.

A wedding occurred the other day which took many by surprise. The contracting parties were Mr. Thomas Acheson, an old Elizabethtown boy, and Miss Augusta Houghton, of N.Y. The ceremony was performed by the Rev. J. E. Richardson, of Lyn. The bride was welcomed by a number of friends who had assembled at her new home. The "bhoys" gathered in the evening and extended their congratulations. After the receipt of a nice little sum from Mr. A., they departed and left the pair alone in their glory.

Mr. W. J. Hall is home from college, enjoying a five or six weeks' vacation. He is looking well, and is making excellent progress in his studies. All welcome Jimmy home.

Phillipsville.

J. W. Halladay lost a valuable cow a few days ago. Farmers are getting along well with their hay and report the hay good and a fair crop. There are some pieces of fall wheat out. The berry is good, but the crop is light. Early potatoes are proving to be a good crop. Later planted are looking well, and if the potato bug is kept from eating them up, with an occasional shower there will be plenty of potatoes this fall. Spring grain in most cases is looking well, and some of our brother farmers have some good pieces of corn.

Wm. Laisley is about the happiest man we have seen for some time; all because it is a girl. Miss Margaret Haskins has been laid up for some time with an attack of rheumatism. There was a lively runaway last Friday in this village. Bert, Ballard's Black Diamond got frightened and started west. The buggy collided with Isaac Alguire's fence in front of his dwelling, taking out about 12 feet of it. Very little damage was done to the buggy. The boy who frightened the horse took to the country as fast as his legs would carry him.

Front of Yonge.

If the Americans are agreeable, we will soon have commercial union. Mr. Neil Donnelly, of Chicago, is visiting his brother and friends in Ballyneane. S. H. Diekey, our Caintown artist, is doing some very fine painting in Lansdowne. A rag picker is the latest traveller through this township. He wears glasses and sports a fine cane with a brass hook on its extreme end. The late rains have done an immense sight of good for the gentlemen farmers in this section of country. Mr. R. R. Phillips cleared from one acre of strawberries \$275. This was pretty good for a dry summer like the present.

Are farmers aware that during the dry weather several fires have occurred from placing their milk cans in too close proximity to their wood piles or other combustible matter. The Rev. Mr. Pearson filled the pulpit in the Methodist church, Caintown, on last Sabbath morning. Junction proposes starting a lacrosse club after harvest, with James Herbison as captain. This is a step in the right direction as the young ladies in this rural village would like to witness the manly sport.

This has surely been a great season for making tall jumping. First, there was the Brooklyn bridge leap; the 5000 feet from a balloon; and now, to cap the climax, one John Larkins jumped from the Blue mountain with 50 quarts of blueberries.

Farmers are busy securing their hay, which is reported a good crop. A number of our young people are enjoying themselves camping at the isthmus, near Chaffee's locks. Stora Wright, son of John Wright, is very ill. The doctor is doubtful of his recovery. The little miss staying at T. B. Preston's is a daughter, born last Wednesday.

Mr. J. Murphey, shoe maker, formerly of Smith Falls, is located here and is working up a good business. Mrs. Tennant, wife of our Methodist minister, is away visiting friends. Query: What became of the demi-john of cold tea shipped to the isthmus by one of our sports and consigned by the lady campers? The hail storm of Saturday played havoc among the campers, turning their tents wrong side out and otherwise spoiling the fun. Another party of Americans have just arrived from the Thousand Islands and are camping here for a few days.

The hail storm of Saturday struck us full blast, but not so hard as in Westport, where many panes of glass were broken. When on his way to conduct services at Portland, on Sunday last, Rev. Wright's horse took fright and ran away, throwing Mr. Wright out. He partially escaped serious accident, as it was, he was considerably bruised and his carriage demolished.
