A London cable says: The Cecil-Wil braham wedding at St. Andrew's, in Wells street, was in every way worthy so auspicious an event as the marriage of a son of the Prime Minister with the daughter of a TREVELYAN OPENS - THE Lord Chamberlain. The church was crowded with guests and sightseers, and Barangues by Hartington, Harrington, Harrington, every available point was profusely decorated with white flowers. Lord Salisbury, in unwonted good spirits, talked of everything but the proclamation of the League to his many friends. It is a pity that the praiseworthy punctuality of the bride was not more generally imitated. Lady Florence Wilbraham looked very beautiful in a dress of white poult du soie and Brussels lace, but it must be confessed that in her becoming dress of light grey silk older than her daughters; Lady Grosvenor wore a long cloak of violet velvet and a round hat; Lady Lytton was in fawn color; Lady Borthwick's becoming Worth cos tons and blue bonnet, was much admired the bridal marches; Lady Exeter and her daughter represented the other branch of the Cecils; Mr. W. H. Smith was scarcely Lowther, Villiers and Baden-Powell did | did duty for the Commons. The breakfast and tea in Portland Place was very well managed. Lady Salisbury endowed her new which was almost a counterpart of Lady | without proclaiming the League. Cranborne's. The presents of plate were - On motion of Sir George Trevelyan, the particularly numerous.

### THE MANHATTAN SWINDLE. Mrs. Fanny Roberts Sent to Jail to Keep

Company With Lawyer Dunn. A New York despatch says: Mrs. B. Roberts, described in Teller Scott's affidavit charging her with receiving and retaining from him \$10,000 of the money stolen from the Manhattan Company's Bank, while lawyer Dunn received and There had been committed 7,788 outrages appropriated the remainder, or \$10,000, was during the previous year and 26 agrarian found this morning at her residence. To the reporter's questions as to the truth of Teller Scott's affidavit she said, with apparent surprise at the accusation: "You Ireland, and that to mention one crime | Castle Blarney. The sheriffs and and having some means occupy this house, the proclamation of the League is bailiffs were protected by twenty policemen with my colored man and maid servants. I have no objection to saying that my name is Tanny S. Roberts, and suppose Government will be liable to be punished ling, they found the house barricaded and a that I am the person alluded to in the affidavit which you have read to me. Of course such a publication as this is not pleasant, but being conscious of right I have no fear of facing the trouble if any Mr. Balfour and only given out last night in the house were able to drop should arise. I never heard until to-day of this Richard Scott, and certainly could not character. Mr. Balfour had presented a ling the difficulty in forcing the door, have been friendly with him. I have not read the papers lately and had no idea that the Government's action. These allega- no sooner had they made an opening than such a man existed. It is not true that I received \$10,000 from Scott or from any man known to me by that or any other decision. name. The charge of intimacy with a man who confessed to me that he was a thief is ! too preposterous for me to answer except more convictions of crime in Ireland was having got thus far they were assailed with in a court of law." Later it was learned that Mrs. Roberts had been arrested and taken to Ludlow street jail.

### ANOTHER RAILWAY FATALITY. A Bridge Washed Away by a Flood-The Engineer Killed at His Post-Another

Calamity Narrowly Averted.

A Denver, Col., despatch says: An acci dent occurred on an east bound Union Pacific express at Sand Creek Bridge, ten miles east of here, on Wednesday night, resulting in the death of Engineer Masterton and the serious wounding of two or three others. The Union Pacific and Burling ton Bridge cross the creek almost parallel and within a few feet of each other. When the engineer of the Union Pacific train, feet of the bridge he was horrified to see

which leaves here about 30 minutes ahead of the Burlington train, was within a few that a flood in the early part of the evening had washed the middle section away. The fireman jumped into the stream and stuck in the sand, whence he was taken out half an hour later in an unconscious condition. Helwill most likely die. Engineer Masterton grabbed the lever, and reversed the engine just as it plunged into the water. with a baggage car, which fell on top of his body, burying him in the sand. Baggage man Breedlove was badly injured by falling trunks. An old German woman living nearby heard the cries of the frightened people, and rushed out with a lantern and stopped the approaching express on the Burlington route within a few feet of the
