## SUNK TO THE BOTTOM.

The Oceanic Sinks the City of Chester San Francisco Bay

THE USUAL PANIC AND LOSS OF LIFE. A San Francisco despatch says : One of the most terrible marine disasters that lady who desired to make his acquaintance have occurred upon the Pacific coast was at a certain rendezvous on Salisbury that which took place about 10 o'clock yes. Beach. Longee was married, but was not terday morning in the bay of San Fran- proof against such an invitation and left ciso, at a short distance from Golden Gate. his home at 6 o'clock to keep the appoint-The City of Chester left her dock at 9.30 ment. Two hours later he was brought and started on her regular trip to Eureka, home, his face, neck and hands blistered on the northern coast of California. An beyond recognition by vitriol, and he was their irrends. The days and when within two miles of the Heads encountered a thick fog. Capt.

The Heads encounter proceeded cautiously on her course till off how he had received his terrible punish range, discharged bis piece, and from last year's late crop, which must be one day's imprisonment. Port Point, when the sound of another ment. His secrecy raised suspicion that he the contents entered the unfortunate deducted from this amount. Of course whistle floated across the water. Captain knew and was shielding his assailant. The boy's body, killing him instantly. But a these figures are estimates, and may be to her docks. She was so close to the on the evening of the assault. This led to the most earnest words of sympathy were to be a large buyer." Chester that there was no possibility for the anonymous letter being compared with being spoken he knelt upon the ground over the following statistics given me in Mark the latter to escape. The cabin passengers some of her writing, and a great sin larity the dead body and placing the muzzle of Lane will help to show to a great extent were nearly all on deck, and the captain, was shown. She appeared in slawburyport the muskes so his temple discharged it, the estimated deficiency: seeing the danger, called to them to this morning, ostensibly just from New blowing his own brains out. The scene prepare for the shock. A panic ensued, York, but as her baggage bore no check that followed cannot be described. It was particularly among the women and from that State she was arrested on susnumber. The Oceanic struck the was she in the lockup than her courage de- greatest excitement. into the middle section of the Chester, cut- wrote the letter as an experiment. If he gree Mason. His domestic affairs were ting her almost in half. When the vessels had had the courage to resist the tempta- harmonious and the son his bullet acciwere locked, several of the Chester's tion she would have forgiven him, but his dentally killed was idolized by him. The passengers were passed up over the accepting the bait made her doubly deter- widow and family have the sympathy of Oceanic's bow. As soon as the larger mined to carry out her plan. As he stepped all in Ridgefield. steamer could clear herself, she swung out at the rendezvous he met her. She around and began to lower boats. The threw the vitriol from a glass mug all over lose their senses, and several passengers Hence his refusal to give any information. Begin with ten minutes' work, the wet gium are not quite up to the mark, with a stated afterwards that some of the crew | She was very violent, and is held in \$5,000 towel pinned tightly around the hips, cor- deficit of about five million bushels as comclambered aboard the Oceanic, leaving to await the result of his injuries, which set off and a Mother Hubbard gown on, pared with last year." as possible and several passengers were highly respected here. taken off. Others provided themselves with life-preservers and jumped overboard. The greater portion were compelled began to settle soon after the collision.

rebels, at their request, Prince Muley, with an escort of 200 horsemen, to collect tribute and receive their submission, but the rebels, remembering how Muley Hassan put to death their companions, whom they sent as a peace deputation, drove the be reconciled. Prince and his escort into ambush and murdered them to a man. The Sultan himself has gone in pursuit of the rebels,
