THE REPORTER

FARMERSVILLE, SEPT. 4, 1888.

LOCAL NEWS.

BRIDGEMAN WANTED. - Steady work all the year round for dress, reliable man. A. H. HANNEY, Farmersville.

Yesterday was the first day of the model school term.

Mr. C. Hanes, of Ironopolis, spent a short vacation in Farmersville.

Miss M. Boyd, of Brockville, visited friends in Farmersville last week.

The rate for S. S. No. 6 (Farmersville) is \$1,248 for the current year.

Miss Cassie Knowlton, of Chantary, spent a few days in Farmersville last week.

We regret to learn of the serious illness of Mr. John Carrs, of the firm of Wilco & Carrs.

Mr. Chas. Shipman and wife, of Madrid, N. Y., spent a few days last week at Mrs. Shipman's father's, Mr. A. Derbyshire, Plum Hollow.

The Rev. Jos. Cornell, of Marlboro, Que., is visiting friends here. He preached a good sermon in the Methodist Church last Sunday evening.

Mr. F. Blanchard, of the Brockville Times staff, spent Sunday with his parents here. Mrs. F. Blanchard has also been spending a few days in Farmersville.

The old saying that "the rascality of man is great" has been forcibly exemplified by some of our former well known citizens, during the past few weeks.

Messrs. Henry Plumsted and Aden Wilco, two well known former residents of this village and vicinity, are visiting friends here. They reside at Clinton, Ontario.

The Rev. James Pullar will preach in St. Paul's Church, on Sabbath evening at 7 o'clock. Sabbath school and pastor's bible class in the afternoon at half past two. All are cordially invited.

Charlie Fisher arrived here last week from Rush Lake, North West Territories, where he has been acting as telegraph operator on the C. P. R. He will remain until about the 25th inst.

Mr. Gilbar, whose scholarly attainments and social qualities made him a successful assistant to our high school and a popular member of our city, is now modern language master in the Ingersoll Collegiate Institute.

Farmers and others interested in the fair shortly to be held in this county should subscribe for the REPORTER now.

We are in a position to tell the public more about these exhibitions than all the other papers in the county combined.

Mr. Avery Kinsman and wife have been the guests of Mr. and Mrs. C. L. Lamb for the past few weeks. Mr. Kinsman is a prominent merchant of Rochester, N. Y. Mrs. Kinsman is a cousin of J. P. and C. L. Lamb, of this place.

Since our last issue Mr. Geo. Sherman, late of Vienna, near St. Thomas, received the appointment of principal of Farmersville model school, and entered upon his duties last week.

Mr. Sherman comes with high recommendations.

Dr. Hart wishes us to correct the erroneous report that he was about to remove from Farmersville. He wishes it distinctly understood that he has no such intention, but will be found at his office at all hours ready to attend professionally all who require his services.

Mr. Will Tober, who has occupied a position with A. Parish & Son for the past four years, severed his connection with that firm on Saturday last, to accept a position in the Bradford Hotel, Brockville. Will is one of our most reliable young men, and is sure to make his mark in the world. We wish him success.

The committee of management of the picnic in connection with Christ's Church Sunday School, wish to announce that owing to the inclement state of the weather on Saturday morning last, they concluded to postpone the picnic until next Saturday, the 8th inst. The steamer will leave the Charleston wharf at 9:30 a.m. All are cordially invited.

Posters were issued from this office during the past week, announcing the dates of the fairs at Unionville, Frankville, Newboro, Lyndhurst and Elgin.

The majority of these bills were two sheet posters, with lithographic headings, and were gotten up in a manner that shows that the REPORTER office takes no back seat or second place in this line of work. Look them over and judge for yourselves.

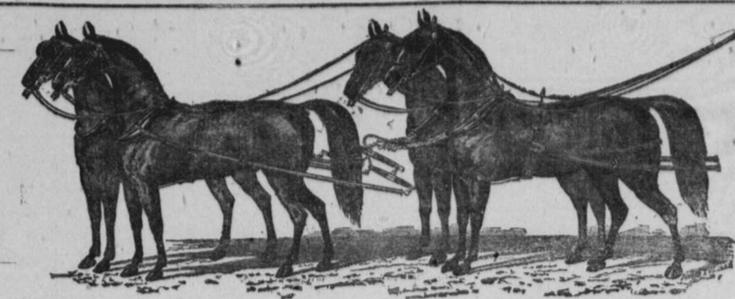

Want of space prevents us giving a synopsis of our trip over the R. & W. to Westport, last week. The journey was a very enjoyable one, and we picked up many items of interest which we would like to give to the public. However, as soon as the fair is over we propose going over the route again, when we will probably have something interesting to say about the towns on the line of railway, and shall probably give illustrations of some of the principal points of interest in those places.

One day last week Mrs. Daniel Blanchard, formerly a well known resident of Greenbush, surprised her many friends and relatives in that section by dropping in amongst them unannounced. Mr. and Mrs. Blanchard have resided for the past five years at Friend, Nebraska, and as Mrs. Blanchard had made a promise to visit her old home at the expiration of five years, she availed herself of the advantages of a cheap excursion and the company of a number of friends from the same place to make her promised visit. She is looking remarkably well and will probably remain in this section for two or three months.

We had a pleasant call last week from one of our old friends and school mates, Mr. Hiram W. Blanchard, formerly of Greenbush, but now of Southport, Ont. Nearly thirty years ago Mr. Blanchard left Greenbush and settled in Western Ontario. Dame Fortune seems to have smiled upon him, for he has amassed a snug competence, and is also in the enjoyment of excellent health. Mr. Blanchard is on a visit to his friends in Greenbush and Farmersville, and while in this section will make his home at his brother David's at Greenbush.

Yesterday we noticed a crowd in front of J. Thompson's grocery. The attraction was the unusual sight of nearly half a carload of tea being carried from the station and piled up in front of the store. We counted fifty full chests of tea in the pile, and on going inside the store found that Mr. Thompson had nearly half that quantity already in stock. The consignment just received was ordered through

Mr. Henry Carrs, who has a very favorable reputation as representing some of the best and most reliable wholesale houses in the Dominion. We were surprised at the amount of tea at once; but on finding that he had sold over three tons during the past nine months, we concluded that he had acted within the limits of prudence. We are proud to chronicle such pluck and enterprise in our townsmen, and trust that the venture may prove equally profitable to retailer and customer. Mr. Thompson has long enjoyed the reputation of selling good goods at right prices, many of his dealings on the square with his patrons.

On August 25th an interesting game of baseball was played at Mallorytown between the newly organized clubs at Junctown and Mallorytown. The home team went to bat first, and made 11 runs in five innings, while the visitors made 22 runs in four innings. A few days before a match was played at Junctown between "married" and "single." The game was not concluded, but it went far enough to show the spectators that they were being badly licked. At any rate they did not come up to the match at the time appointed for the conclusion of the game.

Farmersville high school opened last week with a large attendance of pupils. Yesterday they numbered sixty, and will reach seventy by the end of the week. Mr. L. A. Kennedy, of Essex Centre, after reconsideration, accepted the position of principal, and is expected to arrive at once. He has the reputation of being a first class teacher. Mr. L. J. Cornell, B. A., the first assistant, is temporarily in charge of the school. Mr. Cornell is well known as an energetic and skilled in the position of principal, and is expected to arrive at once. He has the reputation of being a first class teacher. Mr. L. J. Cornell, B. A., the first assistant, is temporarily in charge of the school. The annual harvest dinner of the Plum Hollow Baptist Church was held on Wednesday, the 29th. Dinner was served in the grove near the church, at 11:30, when ample justice was done to the profusion of chicken pie and various other delicacies—for which Plum Hollow is so renowned—by the large concourse of people who gathered for the occasion. During dinner, which lasted for two hours, the Toledo band, under the leadership of Mr. C. A. Wood, discoursed a varied and pleasing selection of music, which drew forth repeated rounds of applause from the gratified listeners. After the physical fast the people crowded into the church, anticipating a good mental and musical feast, in which they were not disappointed. At 1:30 the choir, led by Mr. W. Pennington, and by Mr. Killeen at the organ, opened the programme by singing an anthem entitled "The Harvest," after which Mr. J. Bullis, who acted as chairman, delivered a short, pithy address. The rest of the programme consisted of short speeches by Revs. J. Wilson, B. A., J. Taylor, A. R. McDonald, B. A., and C. E. Pines, and music by the choir and band. The proceeds of the day amounted to \$26.00, thus clearing off the price of the organ and leaving \$6.00 to balance.

THE CHEESE MARKETS. Prices Looking up a Little. The shipments heavy. (SPECIAL TO CORRESPONDENT.) BROCKVILLE, Sept. 4.—Since my last report the cheese markets have shown a turn for the benefit of the producer. Recent events in the Kingston and Napanee districts, where a few factories have been contracted for at 9c for August and 10c for balance of season, and these prices having been offered for more, look as if there are better times in the near future for the important industry, despite the bear combination. The August market this season shows fair quality, which must please the consumer on the other side of the "briny."

The exports this week have been heavy—76,320 boxes, against 12,780 for corresponding week of last year. Total exports to date, 619,818 boxes, a shortage of 59,866 compared with same date of 1887.

We quote August goods in this market at 9c 1/2. Liverpool cable raisins firm at 4 1/2. That, of course, represents the value of summer-made goods. Canton market ranges from 8 1/2 to 9c; Ogdensburg, 8 1/2 to 9c; London, 8 1/2 to 9c.

The Frankville Agricultural Society has accepted the challenge of the Unionville Society to compete in a tug of war on the last day of Unionville.

Several baseball clubs have written to the secretary, asking for particulars regarding the match for the silver cup.

At a meeting of the Directors, held on the 25th ult. the following were appointed to positions at the coming fair: A. W. Blanchard and C. M. Brown, ticket sellers; Thos. Hudson and Jas. K. Redmond, gate keepers; T. C. Brown, R. M. Brown and John Johnston, superintendents of the hotel; Wm. Hovson, Harvey Brayton, John Hollister and Joseph Mat, police.

All intending exhibitors are particularly requested to note Rule I of the Regulations. The directors have issued positive instructions that this rule should be strictly adhered to. Exhibits can be sent by train or otherwise, addressed "Superintendent of Grounds, Unionville," and they will be taken and arranged in the halls or on the grounds free of charge. Articles not so arranged will be prepaid on train. G. M. Cozzitt & Bro. have kindly offered the loan of their implement wagon for transporting goods to and from the station.
