She is a general favorite with the
young folks here.
Mr. Walter Lewis has leased his
farm to Mr. Gibson, of Elbe Mills.
Miss Viola Wiltse is spending a few
days with friends at Clark's Crossing.
There was quite a commotion in the
quiet village of Brownstown the other
evening, it being the annual ice cream
social, at the residence of Mr. Franklin
Wiltse, composed of the elite of the
village and suburbs.
Mrs. Armstrong and daughter, of
Brockville, spent a few days with her

to Frankville to take charge of his
business.

get up a string band, but we can
make our own instruments. Already
we have a violin zither and a tar
viol.

DELTA.
It is again our painful duty to
announce the death of one of our
most respected citizens in the
persons of E. Hicock and Mr. Allyn.
They will be missed very much, but
one great consolation is their end was
peace.
In a business line Delta is booming
and we hope will continue to do so
at least for the coming year. As we
succeeded in electing two Delta men
to represent us in the Council, now is
the time, men, next year you might
not be in a position.
A dentist has struck our town.

pleted.

jug" found. That man in the "North

to excel anything of the kind hitherto
invented. Omer has applied for a
patent.
Last evening a very enthusiastic
Scott Act meeting was held in the C.
M. Church here. Some telling speech-
es were delivered by visiting ministers
and others. The W.C.T.U., of Athens,
rendered some valuable assistance.
The public school trustees, from an
advertisement in the Daily Globe, re-
ceived some twenty-five applications as

THE SCOTT ACT.
Reasons Why It Should be Sustained in
Leeds and Grenville.
Editor Athens Freeman:
Dear Sir: - My attention is called
drawn to a certain petition circula-
ted for signatures for the repeal of the
Scott Act, in the United Counties of
Leeds and Grenville. I beg my read-
ers to bear in mind that during the
period from the time the Scott Act
came in force up to the present time
of the Antis has been that there
was more liquor sold and drunk than
when the license Act was in force. If
this theory was correct, why not let
the Act alone? Why circulate a
petition to repeal it, if the Antis were
selling more liquor and doing a bet-
ter business and sending more souls
to ruin than before? I say again,
why do the Antis want to repeal it?
