ADDITION.
MONDAY, March 4.—Miss Theresa
Covey, of Gananoque, is the guest of
Mr. Wm. Langdon, her brother-in-law.
Mr. William Quinn has leased his
blacksmith shop on King St., for an-
other year. Success to Billy.
Mr. Ed. Davis has secured the ser-
vices of Mr. Henry Sheridan for the
coming year.
Mr. C. Stowell has just succeeded in
placing about twenty tons of ice in the
icehouse in his cheese factory.
Mrs. Prichard has gone to Shelburne
to visit her friends there.
Mr. Omer Arnold, who has been
very sick for some time, will be
glad to say, soon be convalescent.
ADDITION, March 9.—Our King St.
blacksmith has been and gone and
done it, and now Theresa is mistress
of the little white house.
Mr. Ed. McVagh has moved away to
prepare for his cheese making the
coming season, and Mr. Chas. Hayes
has moved into the house vacated by
him.
Mrs. A. Cole is spending a few days
with her friends here.
Mr. David Langton is very sick at
his son William's, here.

ELBIE MILLS.

The bell lately purchased for the
school house was placed in position on
Saturday last.
The logs piled up to the mill here
are seen as fast as brought in.
Mr. Anthony Trip and family have
returned to this place from McIntosh's.
Mr. Fred Bates, with his wife, has
returned to his father's and is now at
his old occupation of farming.
Mrs. M. Day who had her arm bro-
ken at M. B. Bates' recently, is pro-
gressing favorably under the care of
Dr. S. S. Cornell.
Those who had the pleasure of hear-
ing the late lectures, may not all be of
your opinion Mr. Editor; that there is
nothing new to say on the temperance
question.

The W. C. T. U. of Athens held a
temperance meeting here last Friday
evening. Several earnest and stirring
speeches were made by members of the
Union and others. The few anti's who
were present were invited to give their
views but had little to say (until the
next day). Good music and sing-
ing. Mrs. Dr. Cornell sang two solos
in her usual pleasing manner. Mrs.
Lynn occupied the chair.
The Mayor's mansion at Saginaw
becoming somewhat dilapidated and
de roof letting in do sunshins in de
rain, as well as more oxygen than is
necessary for the comfort of the in-
mates, his "woshup" has turned his
attention to procuring lodgings else-
where, and with that intent interview-
ed the owner of the vacant house at
Pruvile. The owner however having
furnished free houses for his tenants
lately, rather plainly hinted that he
was afraid the rent would not be for-
warded. Consequently the mayor will
be present at least, remain to
guide the ship of state of his native
city over the troubled waters of finan-
cial depression now threatening it.

OUR STREETS AND SIDEWALKS.

A Letter on the Subject from Road
Overseer George Nash.
Editor ATHENS REPORTER:
DEAR SIR,—With your permission
I will give a few facts regarding the
streets and sidewalks of our village.
The first part, there are over four
miles of streets to be kept in repair.
During the five years I have had
charge of the road work a great deal
of road making has been done, includ-
ing the opening up of Sarah street.
Several other streets have been
opened, and a good deal of macadamizing
has been done. In 1887 over 200
yards of broken stone were put on
the streets; in 1888, about 115 yards,
at \$1.25 per yard. The money paid
out for stone alone has been about
\$400. Seventeen culverts have been
built or repaired, so that all water
courses are now in good condition.
Several of the streets are yet too flat,
and need to be leveled in the middle,
so as to readily shed water.
Our two miles of sidewalks, with
all their faults, are better than most.
While walking upon them pedestrians
should remember that they have been
built mainly by the owners of
property adjacent, without aid from
the state labor commutation fund.
Fault finders, who are numerous, have
special reason to remember this fact.
Were they to stop their croaking and
build some walk themselves, they
would be doing no more than many of
their more enterprising neighbors have
done. Last year about 40,000 feet of
plank were put down in walks, which
with the cost of laying them, made a
total expenditure of \$900—a very good
showing indeed for Farmerville and
best. Many of our townsmen furnished
plank for walks which were laid down
by workmen paid from the com-
muniton fund, while many others put
down walks entirely at their own ex-
pense. In this connection I might
like to remark that a little person on the
part of Commissioner Aiguire often
bores fruit in inducing men to open
their parses in the matter of side-
walks. Mr. Aiguire is a good ex-
ample nearly three years ago when
he was some distance from his
home, laid 350 feet of the best side-
walk in the village, at a cost of \$80.
This fact gives additional weight to
his representations when he is trying
to induce others to open their par-
ses.

in the same direction. Mr. Aiguire
is a good commissioner, and de en-
couraged the sidewalk boom last year.
It is pleasing to note that the busi-
ness men on main street have for the
good walks out of their own private
purses, without solicitation or aid
from the commissioner. I must not
forget to give Mr. W. G. Parish a
word of commendation for furnishing
the plank for sidewalks at cost. Be-
low I give the amounts last year ex-
pended by various individuals on
sidewalks laid by themselves or
amounts given by them to supplement
the communiton fund:—

NAME	AMOUNT
John and Irwin White	\$200.00
L. C. Whelan	20.00
E. R. Whelan	20.00
George Yule	10.00
Gershon Yule	4.00
H. Fisher	1.00
Geo. Judson	1.00
Chas. Kilburn and wife	10.00
W. G. Parish	15.00
H. Leverin	10.00
Geo. Cornell & Cornell	10.00
H. H. Arpold	10.00
Norman Jewell	10.00
John Barry	25.00
Mrs. John Hoase	5.00
Frank Willis	5.00
E. Glynn	15.00
Norman Dawson	5.00
Harry Casson	5.00
Total	\$430.00

In conclusion I urge upon the
ratepayers of the village and the
Township Council to make a grant of \$200 to
be expended on the Brockville Col-
lization railway. Such a grant is an absolute
necessity, and would be a benefit to
all farmers as well as villagers.
