Moping and repining Hoomy and moroso, take the price of poison, Thinks he'll take a dose. Nomen are so fickle, Love is all a sham, darriage is a fallure, Like a broken dam.

Whistling, blithe and cheerful, Always bright and gay. Cancing, singing, laughing All the livelong day, Full of fun and frolic, Caughtin Fashion's whirt Thinks no more of poison-Got another girl.

What Was It? Guess what he had in his pocket. Marbles and tops and sundry toys, Such as always belong to boys, A bitter apple, a leathern ball ?-

What did he have in his pocket? A bubble pipe and a rusty screw, A brass watch-key broken in two, fish-hook in a tangle of string ?-No such thing.

What did he have in his pocket ? Gingerbread crumbs, a whistie he made, lottons, a knife with a broken blade, a nail or two and a rubber gun ?-

What did he have in his pocket? Before he knew it slyly crept Under the treasures carefully kept, and away they all of them quickly stole-

## FIDELITY AND LOVE.

CHAPTER I.

It was a very pleasant, homelike old and in a way very fond of Maude, whom life,—buving Spring Farm back! But olammy skin, who have been spending half how? The book she was going to write England hills, with the summer sunshine she 11, and he first came to Merrivale to did not seem quite so certain now. Her a morning in alternately plunging into the falling upon it, and the summer air, sweet spend the summer. They had played and brain children had turned traitors and fied waves and walking about, dripping, in the with the perfumes of roses and June pinks, fished together in the brook, and rowed away from the sweeping, dusting, dishwash. cool air. From what should have been an filling the wide hall and great square room, together on the pond and quarreled and ing and bedmaking which fell to her lot invigorating dip, they return in a condition where, on the morning when our story opens, the utmost confusion prevailed. Such although Archie was careful upon her lips lest her mother should detect and upon her lips les Carpets were up; curtains were down; huge boxes were standing everywhere, while into them two men and a boy were packing the furniture scattered promiscously around, for on the morrow the family, who had the former of the family, who had the family had the family had the family had the character of the headache which was always with her. To the family allowed in the family allowed the headache which was always with her. To the privileges of unbounded liberty the family allowed in the comedy vein with a capthe first the flirting should not go too far, for the improvement of improvement of improvement all whether there should be question at all whether there should be designed in the comedy with her.
