Rock the Killer, We have heard that the great Bobert Book, who puts hoopie's breathers in soak,

Has discovered a cure.

That is certain and sure

To make all the bacilli creak.

And every one will say Ac he walks his wormy way; "If he hasn't the gumption He'll surely drive pimples away." "The insects that pray on the nose, The germs that reside twixt the toes, And eat up the tissue, He'll rob of their issue, And poison them into repose. Consumption in sarijest stage, Before it's consumption at all, He'il cure by injection With great circumspe

and squirt at the worms till they fall. Through vary small doses of lymph.
Although they are cleanish,
Will get up and vanish, From cla man and young man and nymph and so I should think we should eay, as we think of the great Robert E. If he hear't the gumption To care the con-Estl sarely drive pimples away, Buffulo News.

Before the Beby Came. Founda Windson, in the Century That's was a time when my discount I did not shout till I was beares, And point out avery point; Nor thrice the same joks try to tall. And mangie it and maim— My wife had time to listen well, Before the baby came i

There was a time when here and there I flitted like a bird;
My wife went with me overywhere,
Just when I said the word;
We saw the best-race and the play, We watched the baseball game We had a free foot, as they say, Before the baby came!

There was a time when I alone Was by my wife adored; I sat on the domestic throne, The sole and sovereign lord, hy crown is gone. Without a thank, He takes my very name-res not a vestige of my rank ! Before the baby came!

choking with regret, I was on the point of running after Mina to tell her how sorry I was that I had spoken so. A moment later I should have been beside her and all would have been well, perhaps, been well well well will an extensive boarding house, savings bank, or, if you wish, when you have made your damned to found the found of the two front testh?"

I have defined well-perhaps well with designing with the sentence of this teach in the two front testh? The was 'pounded or an Angelo, you can the two found to the two front testh? The was 'pounded or an Angelo, you can the two found the two founded with Mendelessohn and singing with the two fr tines that little trill sounded on the still sentiments of joy and anger as were spon- to you.

alley with the refrain, "Und das hat mit ihrem Singen Die Lorelei gethan."

climbing, just as they would go on climb- gathering ?"

Mina's tife and therefore mine. Now a my head and still stupidly stare at him and lasked; not for that! I only want to show the contract of th cloud had come between us, and having no | piteously cling to him. sunshine of my own I was left in darkness. "Ah! There is some progress at last," was always as angry as I. We had fought "Evidently you comprehend me; but also in his pocket, slowly repeating, as before; out our little battles and one or the other I am still failing to comprehend you. Now "Colors, true colors." Genius is ever so had conquered, dissipating our wrath in a very few words from you, if well stopidly dissatisfied with gold. Well, if is evening for her to come up to the riding the joy of making up long before the sun arragued, would enlighten me. How would must be colors, why, come, my boy, sit down some of the before the sun arragued, would enlighten me. How would must be colors, why, come, my boy, sit down state of the before the sun arragued, would enlighten me. went down. But to night I had been angry it be if you were to tell me why you were beside me. There! Sit, I said, not tumble like and language and Mine had language at me. all alone and Mina had laughed at me. here all alone?"

Is was all folly, no doubt, but like the castle with its legends and the wonderful fairy tales which we had so often acted, it seemed much more real to me than real life and Boppard. I could not sat my supper, little though there was of it at the best. The dry black bread choked me, and, with hot tears burning in my eyes, I crept into my rude bed to toss about all night, upon made shother eager effort and succeeded so the blanket, in bewildered, dreamful sleep. far as to whisper, "Oh, I have been waitever haunted by a hideous vision of a distorted Lorelei laughing at her tortured
