Words, But Burn no Powder. A City of Mexico despatch says : The merican wombie Charleston and the silian man of one Remeralda are lying at anobor uses the entrance to the harbor | SMALS HOPE OF HER RECOVERY. Acapeloo. The Chilian captain says that his vessel has not called at any Amersan port, consequently, he says, it is not obable that the United States authorities will interfere with the movement of either himself or his vessel. An officer of the Esmeralds, in reply to a question put to him in the telegraph office at Accomics as to the probability of an old-fashioned sea fight between the Charleston and Becomalds, said in a jocular and rather nonbiguous way, " Oh, the Etata is already out of danger. She has plenty of coal and provisions to carry her to her destination." This remark has given rise to the report hotel. They started at midday apparently that the Etata coaled at sea and proceeded to her destination, while the Chillan warship steamed for Acapulco to throw the United States authorities off the scent. that has so far made any mention of the arrival of the Esmeralda at Acapulco, says | his her head on a rock. The woman, who Ohilion warehips are expected at Mexican | house. The doctors who heard Duncan's

Chronicle has received a despatch from that his wife was still alive that he had the Charleston. The despatch is dated Saturdow, and says in part: "The Charleston arrived here early this morning, passing close to the Esmeraldo as she entered the harbor, the Charleston anchoring and clearing the ship for action to be roady for emergencies. Later in the day formal interview took place between Captain Remy, of the Charleston, and the captain of the Esmeraids, the latter stating that the Charleston should never take the Etata until the Esmeralda was supk. Captain Remy replied : 'I have orders to take the Etaia. The fact that the Esmeralda is present will make no difference een explained. whatever.' In Acapulor a fight is expected if the Etata appears."

FIGHTING FOR HATTALINA

Students and Citizens Bise and Pravout the Ex-Queen's Enpuision.

Belgrade cable says t The Prefect of this city, who was charged by ans regents with the duty of expelling ex Queen Natalie from Servian sersitory, went to the latter's residence to day, and in spite of her protests compelled her to enter a carriage. which drove towards the quay on the Danube, where the royal yachs was moored. The news that the FI Queen was really to be expelled from Servis had in the meantime spread throughout Belgrade, and had reached the students' quarters. The students promibily turned out in force, and the cerriage containing the ex Queen was soon surrounded by students, who seized the horses' heads, brought the vehicle to a standstill, and loudly obsered to a standstill, and loudly obsered the royal prisoner. The students then detached the horses from the observed to a carriage and the observed to the railroad station, and the observed the horses from the observed to a carriage and the observed to the station, and the observed to the railroad station, and the observed to the station, and the observed to sever up to the observed the observed to sever up to the observed to s earriage and drew the ex Queen, who followed by the cheers of the six injured men were put in a car and taken protect against any legislative interference ferocity after each had been seriously gave them something to sat, and remained seated in it, back to her resi. students and citizens, whose enthusiasm to a New York hospital. It was thought with their employment. One brawny gashed. Under former circumstances the dence, cheering loudly as they passed had to be kept within bounds by the disdence, cheering toudly as they passed through the streets. The prefect, assisted by gendarmes, tried to regain possession by gendarmes, tried to regain possession of the ex Queen. Several collisions took of the ex Queen.
