Crums Called for the Curious—Paralytic Paraplegic—Jokes and Jingles—The Week's Wispings Wittingly Worded.

CANTON.

Monday, July 6.—Rev. Mr. Wright of Mallorytown, and Messrs. White, Ormond Gibson of Canton were at Sand Bay fishing the other day. They caught a large number of very fine fish. It is a rare average. Indeed when the good genius of Ormond fails to crown his party with success. His reputation in hunting and fishing have long been a marvel, although he gets time only to take a day or two occasionally.

Mrs. E. Hugboom of this place has been ill and under the treatment of Dr. Lane.

Mr. Joe Dowsett has returned home to Markdale.

The crops are looking well after such delightful rains as we have had. The hay will be a light crop this year.

Lochs of Smith's Falls is visiting friends here.

There will be a Sunday School picnic in Mr. Dowsett's grove next Friday.

NEWBORO.

Monday, July 6.—Mr. R. L. MacDonald who has held the position of head teacher in Newboro school for the past three years, has resigned his position and is making arrangements to teach the Almonte public school. He with his family left here for Almonte on Friday last.

With much pleasure Newboro can boast of a bran new Gospel tent, owned and manufactured by the loving hands of modern christianity. Although we have the tent in good running order for over a week, the great tide of enthusiasm which followed in Rev. Horner's wake seems to have departed with the good man himself. Excitement seems to be below par this session.

The road commissioner is doing some common sense work on our roads. No doubt some will grumble but we must not mind that. That has always been a part of the program here. It is high time we had something on our roads different from the mud scraped out of the ditch. I consider this a good start in the right direction.

I would the farmers wearing very broad faces of late. It must be on account of cheap sugar and abundant crops. I must say the outlook for crops in this section surpasses anything we have seen for years.

Visitors—Mrs. (Rev.) Robinson & Sons, Belleville; G. T. Brown, Silver City, Oregon; E. H. Mills, Ottawa; H. McEwen, Kingston; G. W. Baker and party, Brockville; S. Shaw, Vancouver.

The members of the Ladies Aid of the Methodist church gave an ice cream and strawberry festival on Mr. J. T. Gallagher's lawn the 1st July. Notwithstanding the weather during the day, it cleared off so that there was a very good attendance. The proceeds amounted to upwards of \$80 which goes towards the erection of a new church which is to be erected in the near future.

Mr. Wm. D. Dancy who has been recovering ill for some time is gradually getting well.

It is rumored that Newboro & Westport had a game of base-ball on the 4th July. No satisfactory accounts are at hand. It is possible I will interview the field manager this week.

Campers are arriving daily from all quarters. Our village is fast becoming a leading summer resort.
