> > The Scotchman's Thirtle.

A Scotchman living in Australia and visiting his native land carried back a thistle, the emblem of Scotland, as the reader is doubtless aware. A grand banquet was held in Melbourne by 200 Scotchmen, and the thistle, in a huge vase, occupied the place of honor in the centre of the table. It was toasted and cheered, and the next day it was planted with a great deal of rejoicing. The thistle grew and thrived, and in due time its down was scattered by the winds; other thistles sprang from the at home in all parts of Australia. It has I could almost say millions-of acres of pasture land, destroyed sheep runs by The fastest mile ever accomplished by a the hundred, and caused general execration 1892, by one year's notice.
