# A Pilot's Story of the Collision of the Noord-

Before they got up the steamer struck us that it was probably an explosion of gar. between the mainmast and the foremast, on the port side, and cut through to within six feet of the starboard side. She struck with Strikers Attack and Beat Non-Union Comcompletely over. It was an awful crash, and the sight was a fearful one. The masts sea was high at the time, and there was not Nine of us climbed into the mizzen rigging. Of the fifteen drowned twelve perished on them off. It was dreadful to hear their cries for assistance, knowing that we were unable to assist them. It is not true that the steamer departed. She stood by for an hour and lowered two boats, which, however, failed to reach us owing to the rough sea. It must have been heartrending to the men on the bowsprit to son the boats return and the steamer depart. I think they at least might have been reached. We then had little hope of rescue, fearing that the rising tide would cover us. After being lights of the steamer Ipswich. We shouted our hardest, and succeeded in attracting attention. We suffered much from exposure.'
