A PRECIOUS CARGO.

A London cable says : The liming of specie carried on the eider was niten elaborate precautions. As much of the gold was destined for the Bank of England the British Government took charge of the work, which was supervised by Captain tobert D. B. Bruce, of the ironelac nvincible. The amount landed for the Bank of Hogland was eight and one-half tons. The men engaged in the work all belonged to the local coast guard. The labor was not part of their official daty and they were therefore paid at the liberal rate of their official daty and they were therefore paid at the liberal rate of £4 for each trip to and from the wereakle of the time of the cash trip to and from the wereakle of the time of the cash trip to and from the wereakle of the time of the cash trip to and from the wereakle of the time of the cash trip to and the times of represented wealth greater than any they started in the basement near the elevator the day from falling walls. had ever dreamed of. At a later hour the shaft, which was located in the middle of boxes containing the treasure were placed the building Soleut to the mainland and thence by special train from Southampton to London.

After the specie had been saved the crew of the lifebook rested for an hour. At the the same rate of pay, £4 a trip. The crew at once placed itself under orders and was whole amount being 400 bags. Ten trips were therefore necessary and these were therefore necessary and these were certainly burned to late the same rate of pay, £4 a trip. The crew back overcome by the smoke and flames. and went through to the baggage car. He dition. met a man on the car steps who went into the passenger car. This man snatched the satchel and walked out of the far door with it, and slammed the door hard. The noise startled Miss Steadmann, who had the car window open and was talking to some friends on the platform. She immediate missed the set of and gave the alarm, but so far no trac. ... has been found. There was only one old man and woman in the car at the time besides Miss Steadmann. This old man noticed the fellow take the satchel but paid no attention to him. It was subposed that Mr. Steadmann generally carried a large amount of tax money in this satchel on Saturday, and no doubt the thief or thieves were well aware of this fact, and worked the opportunity ; but on this trip, very fortunately, he had most of the funds in bank cheques. It is thought there were 12th line and waylay him on his way from the track to his home, which is about one mile. Mr. Inghrim, Reeve of Inniskillen, and Mr. Steadmann have offered a reward of \$50 each for the apprehension of the
