LETTER

To the Ladies of Athens and Vicinity .

Having fitted up over store a comfortable suit of rooms for the conducting of Dress and Mantle making in all their varied branches, I have much satisfaction in announcing that I have secured the services of Miss May Campbell, late of Ingersoll, to take charge of the department.

Miss Campbell has had over six years experience in the making to order of Ladies' garments in several large towns in Western Canada, and has been successful in suiting the tastes of the most fastidious class of society, and from her many and excellent testimonials, we feel confident her patrons will in every respect be satisfactorily dealt with.

Miss Campbell will be in her rooms each day during business hours, when she will be pleased to see prospective customers, either to advise as to material and trimming or to receive orders.

Respectfully,

H. H. ARNOLD,
