Schooner's Crew. A Toledo, O., despatch says : Early on Wednesday morning, while the schooner Madeline, on its way from Buffalo to this city, was passing the Dunning, about 150 miles east of here, in Lake Erie, Capt. Patsick Woods saw about half a mile ahead the waters of the lake lashed into foam. Drawing near, to the curprise of the captain and all on board, a hugh sea serpent wrestling about in the waters as if fighting with an unseen enemy was seen. It soon quieted down and lay at full length on the surface engaged?"
