shot. In advance of the source of the formation, the Monoton Transcript has given your correspondent a copy of the confession. It is as follows, dated Dorchester penticentiary, Nov. 10th:

"I hereby state in the precence and hearing of the undersigned witnesses that I fired the ahot from a 32-calibre pistol which killed Jose. E Stedman on the night of Angush lat in the city of Monoton, and that I subsequently three the pistol away in the woods where I was arrested. I make this statement voluntarily, and fully believing it may cause the forfature of my life. I make it to serve the enist of justice, and to save the life of an innocent man, (Signed) James Door. The decrument is writtenessed by Jas. G. Moylan, inspector of penitentiaries; J. B. Roster, warden, Dorchester Penitentiary; A. D. Cormier, priest, R. C. chaplain, It will be seen that J miss and a profession of the contract of the contract of the contract of the monoton of the product of the seen that I make the part of the product of the seen that I make the part of the strength of the People's Candidate, General Weaver.
