THE NEW DUNHAM BLOCK

Which Will be Occupied by the Well Known Firm of Robert Wright & Co.

For many years the firm of Robert Wright & Co. have occupied a foremost place in the mercantile business of Brockville. Some eight or ten years ago they took a departure from the regular old beaten track and commenced a thorough system of advertising by every available means. Steadily their business grew and increased until the premises now occupied by them were found altogether inadequate for their business, and they opened negotiations with the Dunham estate, with the result that the pile of old tumble-down tenements on the corner of Broad and Main streets and facing Court House Square were pulled down and the magnificent block shown in the above engraving erected in their place, and that on about the first of March next the firm of Robert Wright & Co. will move their extensive business into the new building, which is now being fitted up especially for them. For the benefit and information of those of our readers who have never seen the fine new block, we give the following brief description. The style of the building is of the modern Renaissance. The main walls are of brick and the fronts are of fine pressed brick, trimmed with cut limestone, terra cotta and moulded brick. The size of the block is 100x95 feet, four stories in height, front and rear. Here will be located the furnaces for the hot water heating apparatus, the wash rooms, closets, goods receiving rooms, &c. The ground floor of 40x95 feet, with ceiling 14 feet, will be for the display of fancy and staple dry goods, millinery and dress goods departments, and being located in a space wholly its own. On the first basement floor will be found the boys' ready-made clothing, the ladies' mantle making and the curtain and house furnishing departments, and the work rooms in connection with these departments will also be located here. Of the many different specialties carried by the firm of Robert Wright & Co., it is unnecessary here to speak. The large space on the front page of the Reporter that is filled weekly with the firm's announcements is of sufficient interest to all to make its perusal an indispensable necessity by every person who has an eye to close bargains, and those of our readers who live within reach of Brockville should not fail to watch for their special announcements that will be made between now and the time of moving into their new quarters.

COUNTY NEWS.

INTERESTING LETTERS FROM OUR STAFF OF CORRESPONDENTS.
A Budget of News and Gossip. Persons Intelligence.—A Little of Everything well Mixed up.
NEWBORO
 MONDAY, Jan. 2.—Wm. Foster is going to take up first class work in Brockville.
 E. J. Hopkins, of the veterinary college, Toronto, is spending his holidays here with his family.
 Mr. James Kennedy, an old-time resident of Newboro, is visiting friends and acquaintances in this vicinity.
 Mrs. Robinson, wife of the late Rev. R. Robinson, a former pastor in the Methodist church here, died at her home in Belleville on Thursday last.
 Mr. Lillie, dentist, of Brockville, has rented the residence of H. Kilborn and will move here to live in the future. We hope his case may not prove as serious as expected, and that he may return much improved in mind and body.
 Miss Blanche Gallagher and Miss Cora Harrison are soon to leave home to take a course in the Ladies' college, Ottawa.
 The last week of the old year was an eventful one in our town. Monday was set apart as the day to discuss over the Xmas turkey and enjoy the society of the absent ones who gathered to their home friends to partake of the family greetings of the holiday season.
 The Jubilee of the Methodist Sunday School was held in the church on Wednesday eve. Although the programme was next to nothing, the collections were fine and well rendered. The ministers of the platform represented the Presbyterian, English and Methodist denominations in our vicinity. The singing by the school was very good and all parts taken by the children reflect great credit on their teachers. Miss Ewing in her usually fine manner, gave two selections which were the "cup of joy" of the evening. Mr. John McCarthy of Kilmarnock was also present to represent a part of the scholars in this city—about 50 years ago. The church had put on a holiday appearance, decked out in wreaths of green, while appropriate flowers graced the walls on either side, relieving the monotonous appearance of the dilapidated interior of our old edifice, which we expect will be used by a more suitable one during the coming summer.
 The agricultural society of North Crosby gave an entertainment on Friday evening at Victoria hall, which was well attended. The singing was by the school. The school gave a concert on Saturday evening at Victoria hall. A Ball was given on Sunday evening at Victoria hall.

DELTA.

MONDAY, Jan. 2.—The Sunday school entertainment and Christmas arch were a grand success on 24th.
 We regret to report that a well known farmer named Arlon Huffman met with a painful accident, cutting his toes off in a horse-power.
 A number of gentlemen and ladies went to Frankville and attended the ball on 26th.
 Several Delta gentlemen went to Phillipville and attended the nominations on 26th. The council was elected by acclamation. It consists of Thos. Percival, reeve; Geo. Morris, deputy reeve; Messrs. Gallagher, DeWolf, and DeWolf, councillors.
 Dan Jackson is rushing a good business at the livery.
 The scholars received cards of "farewell" from the retired teacher, Mr. F. H. Eston, who moved to Brockville and intends to attend the high school and study to be a first-class teacher.
 J. E. Brown, an enterprising citizen, has bought the hardware in stock from W. J. Singleton, who is bound for the West for his health. John's friends feel sure that he will meet with good success.
 Our merchants did a rushing business on last Saturday.
 F. W. Singleton has moved his stock and household goods to the sample room occupied by J. E. Vanlaster, who used to rent the sample room from Mrs. Curtis.
 Mrs. James Denant, who has been studying at the college in Toronto, has returned home for the holidays.
 Gay Curtis is home from Queen's College in Kingston. The boys think Gay is a gentleman down the street every day.
 R. L. Whisley, who has been studying at the college in Toronto, has returned home for the holidays, and intends to go back and complete his degree.
 Mr. David Besty, formerly here, now of Parry Sound, is at present visiting his friends and relatives in town.

ELDER MILLS

SATURDAY, Dec. 31.—Miss Jennie Tweedy goes to Toronto on Monday, for a two months' visit to her parents.

The last half day of school was spent in general festivity, the teacher, Miss Blanche Hawkes, treating the pupils to oranges, nuts, etc. Miss Hawkes received an address and a fine present from her scholars. Miss Miller from near Brockville has been engaged as teacher for 1893.

Mr. A. Bonstead, a former resident of this place, will please accept our congratulations on his promotion to chief of police at Addison.

Our Sabbath school had their annual entertainment on the 29th, and spent the evening in review of the year's work, singing, recitations, etc. Rev. J. Greenfield was present and addressed the school. The proceeds of the recent young people's concert (\$13.65) was handed over to the treasurer of the Sabbath school, which leaves it in good financial condition for next year.

Sheldon's Corners.
 Dec. 22nd.—At the close of school the pupils of Sheldon's School presented their teacher Miss Eunice Bullis with a silver butter dish and napkin ring. The presentation was made by Anna Yates and the following address was read by Maggie Berney:—
 DEAR TEACHER,—It is with deep regret that we hear of your decision to withdraw yourself from amongst us. We are very sorry to say farewell, and untitely wish to present you this small token of our esteem for your kindness and forbearance towards us; and your earnest endeavor for our mental and moral advancement whilst with us; we also unite in wishing you a merry, merry Christmas and happy New Year, and many returns of the same.

Yours SCHOLARS.
 The pupils were kindly thanked by their teacher for their present, also for their attention and kindness during the past year. She said the present was both valuable and serviceable and would cause her to think with kind feelings when absent from them. She closed her address by wishing them a merry Christmas.

Though the soil of Virginia grows the best tobacco leaf in the world, it does not all grow equal qualities. The production even of adjoining counties is often quite different, the one producing leaf which at once deteriorates if grown in the other. The leaf of the "Myrtle Navy" is the product of the choice sections of the State, which through some combination of local influences, produces a better quality than any others. This is shown by its always commanding a higher price than any other smoking leaf.

Ladies and gentlemen's calling cards, best quality, at Reporter office.

If you have pain in back, ask J. P. Lamb, chemist and druggist, Athens, Ont. for a bottle of Menbray's Kidney and Liver Cure. Also ask him about the beneficial results obtained, in all cases of Kidney and Liver complaint, from its use.

Itch of every kind, on human or animals, cured in 30 minutes by Woolford's Sanitary Lotion. Warranted by J. P. Lamb.

English Spavin Liniment removes all hard, soft or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Swollen, Stiffles, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by use of one bottle. Warranted by J. P. Lamb.

RHEUMATISM CURED IN A DAY.—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits, 75 cents. Warranted by J. P. Lamb.

Rebecca Wilkinson, of Brownsville, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nerve, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy." A trial bottle will convince you. Warranted by J. P. Lamb.

The Canadian Order of Foresters is a Fraternal Benevolent Society, incorporated in 1879 and registered under the Insurance Corporations Act, 1892, of Ontario. The objects of the Society are to furnish its members with Sick and Funeral Benefits, and an Insurance of one or two thousand dollars. The payments of these benefits range from about one dollar to one dollar and fifty cents per month according to the age of the member and the amount of the insurance carried. The membership is composed of men only, and when admitted they must be between the ages of eighteen and forty-five. The present number of members is 16,000, and the Society has a surplus on hand for the maintenance of the insurance of over \$3,000,000 of which is in Dominion de Bonds, and the balance in the best investments in the Dominion.

Well Satisfied!

I am well satisfied with my Xmas trade; in fact, it exceeded my most sanguine expectations.

Of course, there are some lines that did not go as fast as they might, the demand being principally for fancy goods.

In order to work off as much as possible before stock-taking, I shall mark everything down for the next month about 10 per cent on the average.

You had better take advantage of this while the roads are good.
