

TRIPLE MURDER AND SUICIDE.

How this Tragedy Unfolded on Christmas Eve at Westchester on Christmas Eve.

VICTIM DIES.

Westchester, Miss., December 25.—A triple murder and suicide was disclosed today in the upper part of a farmhouse located on the farm owned by Mrs. F. E. Hall, who had been residing here for many years. The victim was Mrs. F. E. Hall, who was found dead in her bed. The other two victims were her two young sons, who were also found dead. The police are investigating the case and have not yet determined the cause of the deaths.

STOLEN BY A LOVER.

The Object of a Revoluion's Adoration Hidden in a Cave.

THE PERILS OF A RICH GIRL.

A London cable says: A few weeks ago Miss Betty Bailey, daughter of a rich London merchant, went on a visit to her aunt in the mountains. She was accompanied by her lover, who was a young man of the name of George. They were in the mountains for some time, and during that time they were discovered by the police. The police found them in a cave, and they were taken to London. The young man was charged with the murder of Miss Bailey, and he was found guilty. He was sentenced to hang, but he was later pardoned.

THE NOODLAND PERIL.

For Twenty-Four Hours the Crew Worked the Pump.

TO KEEP HER ALOFT.

London Telegram and Mail: While the ship floated helplessly in the North Sea, the crew worked the pump for twenty-four hours to keep her aloft. The ship was the 'Noodland', and she was carrying a large cargo. The crew was exhausted, but they managed to keep the ship afloat for several days. The ship was eventually rescued by a British ship, and the crew was taken to safety.

TRICKED FROM CANADA.

Mr. Erickson, of Hamilton, Deported by the Canadian Authorities.

PREMIER OPPOSES ON IT.

A Daily cable says: There was an attempt to deport Mr. Erickson, of Hamilton, Ontario, Canada, from the United Kingdom. The British government opposed the attempt, and Mr. Erickson was allowed to remain in the country. The British government is concerned about the rights of immigrants and the treatment of foreigners in the United Kingdom.

DYNAMITE IN DUBLIN.

Explosion Near the Castle Kills a Young Detective.

FRENCH OPPOSES ON IT.

A Dublin cable says: A young detective was killed by an explosion of dynamite in Dublin. The explosion occurred near the castle, and it was a tragedy. The police are investigating the case and have not yet determined the cause of the explosion. The French government is also concerned about the situation in Dublin.

FASHIONS AND FANCIES.

Beauty's Dress Demands 'Natural' Flowers for Adornment of Both Hair and Dress.
