

Leading, as Usual.

Our Goods for the Fall of 1893 are already in, and we are prepared to show our customers a larger range and better values than ever before.

Our Dress Goods and Mantle Cloths are simply marvels of beauty and cheapness, and in Dress Linings and Trimmings we are 15 per cent. below market values, an advantage obtained by buying in very large quantities for spot-cash.

We have given special attention, and with gratifying success, to the procuring of Men's, Ladies' and Children's underwear. Don't fail to see that it means to you money saved.

In Boots & Shoes we are keeping our usual large stock well assorted, with a few special lines, or Snaps, secured.

We are now keeping a large range of Hand-painted Window Shades (40 different designs) complete, with spring rollers; also Lace Curtains, Cordain Poles, Fancy Pole Ends and Fixtures, and all greatly reduced in price.

We make our Gents' furnishing department a specialty, and can give a better Suit, better Pants, better Hat, Boots, Shirt, Collar, or Tie, than can be got elsewhere for the same money. And why? Because having a large trade in these lines we give special attention to the buying, dealing only with manufacturers, and getting closest cash prices.

Come and see us. Give us an opportunity to serve you, and you will realize the above statements as facts.

CENTRAL BLOCK ATHENS **H. H. ARNOLD**

Good POLITE Fair
Value ATTENTION Dealing

The family who spend their money right will succeed. The family who spend their money wrong can not. When you want Groceries and Provisions go to the store and get our prices and see our goods. We claim to give you more value for your dollar than you can get elsewhere. The question will arise, how can this be? It only requires an explanation and you will admit that we can do all we claim. We have always had a large trade in Athens, but at the present we are closely connected with another store in Lyndhurst. This enables us to buy goods in almost car lots; in fact, for the last six months we have had car lots every month, besides nearly every day's train has goods for us. This we can prove by the freight agent. We say, and conscientiously, too, that there is no other store in Athens handling this amount of goods. Why is it?

We started business to sell goods, not to give them away. We cannot live without a little profit, but we cut that profit down to the lowest point. We prefer 5 per cent. profit on ten sales before 40 per cent. profit on one. When you want any and everything in Groceries and Provisions, go to Thompson's. Please note the following prices:

Best granulated sugar 20 lbs. for \$1.00
Bright yellow sugar 25 lbs. for 1.00
Best Valencia Raisins, 5 lbs. for .25

We have purchased this week a whole line of Tea, well worth 85c., which will be sold for 25c. per pound. Don't fail to come and see for your self.

Faithfully Yours,
Joseph Thompson.
Athens, Nov. 1, 1893.

This is not simply to reduce stock; it is to transfer every article and yard of goods to happy customers. We have prices at a point where the goods must move, and in the matter of bargains it is simply a question of first come first served.
