ber of any church. She lives at her home, "If you should ask Miss Van Orden about it, you would find that many obstacles were placed in her way to prevent her becoming an officer," said the staff officer. Miss Mabel Wilson, another New York society girl, has become one of the leaders of the work of the Army in Lonserving for a time in the lowest part of the Whitechapel district, she received a merit of promotion. She is now a lieutentant in charge of training quarters in London. There are, no doubt, other acciety girls in New York who are in sympathy with the work of the Army, but they have not gone far enough yet to gain notoriety and shock their friends. In Europe, however, covered in the ranks. Mildred Hart, an English girl of aristocratic parentage, is

England is almost as well known to us as and they swore to love each other through England is almost as well known to us as and they swore to love each other through nature of a gambling transaction, and therethe assily understood method of the United poverty and riches, through sickness and fore illegal; but this was withdrawn and Great Generals Seem to Love a Battle on States. But the French process is not so | health, familiar, possibly on account of the strangely mixed political conditions exist- And they meant it. After the service the ing in that country. Instead of only two or three parties, with interests more or less in common, there are a dozen in France, with aims and policies a thousand times with aims and policies a thousand times more divergent from each other than removed. The more divergent from each other than removed are the service incompleted in the total service in the service in chosen from the chamber. The power is vested in the President, but, as a usual thing be named and some afterwards the power is thing be named and some afterwards the power is thing he names one member premier, with privilege of choosing his associates. It is a simple matter, but the discolving of the Cabinet is simple.

As guests of honor, our party got into the saying that it had succumbed. The little one was placed in its mother's arms, and pavement in her-bridal glory, while every the coffin was screwed down. On Saturday, was overthrown at Waterloo.

Wellington herida. We believe the coffin was screwed down. Wellington herida. We believe the coffin was screwed down. Wellington herida. Cabinet is simpler. All that is required is a vote of "no confidence" in the Chamber collected round and touched her dress, be-

of Deputies, and then the Cabinet members use by doing this they ran the chance of ing the cry of a child. The undertaker was being victorious at Vimeira, in Portugal, of Deputies, and then the Cabinet members resign as speedily as they can get their resignations into the hands of the President Under this arrangement France could have any number of Cabinets inside of a year, in fact, as often as she can get persons to form them. It may not appear a very satisfactory condition of things to Americans, but its France. Perhaps any other arrangement Prance. Perhaps any other arrangement of the ledy's family discovered that the baby was alive. Later the same sent for, and on opening the coffin found thing a good a husband as she had. Then the reception. Mrs. Connelly's rooms was alive. Later the same that the baby was alive. Later the same that the future bridagroom was not so fich were given over to it, and everybody who didn't kiss the bride kined to bridagroom was not so fich were given over to it, and everybody who didn't kiss the bride kined to bridagroom was not so fich were given over to it, and everybody who didn't kiss the bride kined to bridagroom was not so fich were given over to it, and everybody who didn't kiss the bride kined to bridagroom was not so fich were given over to it, and at Toulouse, April 10th, 1814; all these battles being found to be and trout on the function of the beautiful war in same of the future bridagroom was not so fich were given over to it, and at Toulouse, April 10th, 1814; at Orthex, Féb. 27th, 1815; at Orthex, Féb. 27th, 1814; at Orthex, Féb. 27th, 1815; at Orthex, Féb. 27th, 1814; at Orthex, Féb. 27th, 1815; at Orthex, Féb. 27th, 1816; at Orthex, Féb. 27th, suits France.
