Speech From the Throne.

Gustlemen of the House of Commons:

report to the Government.

Was Beaten to Beath.

## OROUEMADA IN AMERICA.

Form, despatch says : Hundreds of pld came to this city to await the arrival the guard having in oustody Henry Honorable Geatlemen of the Senate : the a colored man who had assettled a

journey to Paris, did not realize his plight.
At last, when he was told he must die the most awful death by slow torture that human mind could conceive, he begged for prefection. He was willing to be shot, and make told he would be burned to death. His was told he would be burned to death. His was told he would be burned to death. His was told he would be burned to death. His was told he would be burned to death. His agent with the fine the called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the control, the hon gentleman extelled the men opposite had got into office on the subjects of the burned to death. His was told he would be burned to death. His agent when and increase of fish life.

Scarcely had the train reached Paris when and increase of fish life.

With regard to reciprocity in wrecking to be acquisited. Toronto, the hon gentleman extelled the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and attributed to it what he called the prosperity of the country. He atted that the National Policy and it was absurd for them the called the prosperity of the country. He atted that the National Policy and it was absurd for them the called the prosperity of the country. He atted that the National Policy and it was absurd for them the called the prosperity of the country. He atted that the National Policy and it was absurd for them th his torture commenced. His clothes were and towner, a correspondence has taken many other things, including the acquisitorn off piecemeal and scattered in the place which indicates that privileges are tion of the Northwest Territories. (Laugh-

## A STORY OF A SAFE.

Safe for a Lincoln Banker,

said a well-known manufacturer of these Chicago Tribune's " Man About Town," "The safe of a private banker in Lincoln, safe expert was here in Chicago, but the land the Northwest Caratteries and for simple have reached Lincoln. He was in that seemingly helpless predicament when Gentlemen of the House of Commons; drowning men catch at straws. He knew pusiness for the purpose of making an effort to open the obstinate cash receptacle." 'Kid' McCoy, an Eastern bank robber

When the 'Kid' entered the bank he After looking it over carefully, he asked if there was another safe of the same make in | and laid on the table ; closely. Returning to the bank, he sent for of the Controller of Inland Revenue. a sledge bammer and a stick of cordwood. He pinced the latter against the face sheet, struck it sharply with the sledge.
