OUTRAGED AND MURDERED.

Terrible Double Tragedy in Detroit Herrible Fate of a Woman and Her Three | The Quartotte of Daylight Desperades on

A LIGHT SENTENCE FOR ONE. A Detroit despatch says a tragedy which can be laid to sine and woman, occurred 6t Kitty Piace's assignation house, No. 140 Gratiot avenue, about 11 o'clock Sanday night, and as a result Jeasph Esser, a young man who lived at No. 243 Beaubien street, line a corrue at Marshall's morgue, while

First, who has symptoms of a mustache, has been going for some time to Dillou's private eachdemy at No. 198 Specifical accenned.

In the quiet and seclusion of this sativation, away from the rule buntle of a public school, he has hed time to cultivate the gran passion, and the object of rise callow affection has been Miss Minnie, at whose he so on visiting terms.

Some menths ago the young couple became engaged, their parents wisely deference may be a menth a new York, and became a member of the had anything and the object of rise callow at the second the particular than a consequence of the particular than a substitution, as whose a member of Dr. MacArthur's chiefer and when he seems shock and the ment stripped than the gran batch was been going for the nearest fire alarm by to summin the department. Five reservation policies, with particular and myself, and the object of rise callow and summin the department of Horace, Particular Co., who summin the department of Horace Co., who summin the department of Horace Co., who summin the department of Horace Co., when care the conservation of the hind any wark is reasonable and when he came of a public color of the summin the department. Five reservation that the time the wark of the hind and yearly and when he care when he was the part ment of the hind any wark is reasonable. The ment of the hind and yearly and when he came the part ment of the hind and yearly and when he care the conservation

into the story of the burglary. There were dence the only new fact which was adduced was that Wm. Archer pawned a silver watch at Rosenthal's pawn shop on York

Several firemen stationed at Fire Headquarters are just now improving their spare time in getting accustomed to the use of the new life saving apparatus, which will be used on trucks No. 1 and No. 2. In a test which was hald yesterday afternoon it was nown that the new implements are of the greatest value in saving lives of people in belt with a large snap hock attached, a lifeline and a hatchet. The ladder is made of stout blokery, and consists of a single standints; Garfield, President and political like hook is adjusted at the upper end of who attempted suicide some years ago when the army will not forget Dr. Gatling's gun. In descending, the fireman is independent of the ladder. Fixing the end of the lifea high place among the scholars of the absence of such an object, to one of the spikes which he carries in his belt, he takes In Europe one name comes quickly to the and descends at his lelaure.
