FRIDAY, May 12.—At the meeting of the Quarterly Board held in the Methodist church on Monday, May 8th, the following resolution of sympathy and condolence was passed and a copy sent to the bereaved family of Wm. Brown of Ellenville, viz:

Whereas it has pleased Almighty God in his infinite wisdom and mercy to again visit our circle and call to his reward our trusty and beloved brother Wm. Brown who for many long years has borne faithfully the burden and heat of the day, who has proved himself a loving father, a true friend and a faithful servant in the Lord's vineyard, and who has now gone to that rest which is prepared for the people of God where Christ himself shall wipe away all tears from his eyes and give to him that crown of life which is prepared for those who love His appearing.

It is hereby resolved that we his brethren in Christ extend to his sorrowing family and friends our heartfelt sympathy in this their time of bereavement, and our sincere prayer is that God may pour into their wounded hearts His divine balm which alone can comfort the sorrowing.

Signed in behalf of the members of the Quarterly Board and Seelye's Bay circuit by the committee: J. A. Dorman, F. W. Young, G. R. Hawley, and by Rev. G. S. White pastor, and Arthur Lasky, secretary.

The business before the board was satisfactorily brought to a conclusion. The adding of Morison to the circuit was concurred in. The examinations of J. A. Dorman for local preacher and S. E. Goralise were proceeded with. Both gentlemen passed most creditably. The records showed a large increase in the membership. The meeting closed with singing the hymn and pronouncing the benediction.

There died at Chebaning, Michigan, on April 19th, 1893, of inflammation, Mrs. J. E. Pitts, a former resident of Ellenville. She was the eldest daughter of the late Stephen Parr and a sister of G. M. ADDITIONAL LOCALS.

We are pleased to note that Albert Robinson has so far recovered from his recent illness as to be able to drive to the village.

Mr. Mary E. Jones died at the residence of her parents on Sunday morning at 12.30, aged 81 years and 10 months. Mrs. Jones has been a resident of Athens for something over 15 years. The remains will be taken to Kingston on Monday and the funeral will be held at the Friends meeting house at Waterloo, near that city, to-morrow.

About a dozen members of the Athens lodge of Foresters drove out to Lyndhurst on Sunday last to join the lodge there in attending church. In the morning, service was conducted in the Methodist church by Rev. G. S. White and in the afternoon by Rev. Mr. White in the English church. Both services were very impressive and were highly esteemed by the large congregations assembled. The visiting brethren enjoyed the hospitality of the Berney House, the genial proprietor making their visit to Lyndhurst a very pleasant one.

High School L. S. Concert. A full house greeted the High School Literary Society at the closing entertainment on Friday night. The principal of the school, Mr. U. J. Flach, presided and introduced the different numbers of a varied and excellent programme. The opening number was a well-executed and pleasing piano duet by Mrs. Beach and Miss Harrison, which was followed by a chorus by the boys, sung with feeling and expression.

Mr. Hayes was very pleasantly surprised to find that his school study contained some valuable hints for the girls as to how not to do it, and was warmly applauded, especially by the boys. An old favorite, "Janita," was rendered excellently by Mesdames Gallagher and Flach and Mrs. Flach taking the solo. The "Harmonica Band" proved to be quite an orchestra, and their different numbers were well rendered. Dumb-bell exercises by the football club under Mr. Passmore's direction and Indian club swinging by a number of boys superintended by Mr. Hayes were very pleasing features of the evening. Mr. Hickey evidently fully understands Mark Twain's humor and his reading of "A Day at Niagara," where "all signs fall in a dry time," was excellent and received a hearty encore. The "Journal," read by Mr. Flach, was unusually well edited and sparkled with good humor. The first act consisted of a desire to "make it warm" for some of the boys; the second part was in prose and was full of bright witticisms and pointed allusions. The Journal, as we said, had been well edited, and while its reading gave offence to none, it proved intensely amusing to all. Miss Leah Addison received an ovation on her first appearance on the platform, when she sang "The Rowdy Dowdy Crew" in appropriate costume, and was rewarded with a storm of applause and a vigorous encore, to which she responded with "For Goodness Sake, Don't Say 'Toid You'." Her second number was "That is Love," during the rendering of which the audience were thrilled with the pathos of the theme. For an encore she gave "My Sweetheart's the Man in the Moon." The piece proved very popular and it is safe to say that a large number of the young ladies were home before the evening was over. A number of enthusiastic students attempted to obtain another encore, but received only a graceful acknowledgment with the addition of something which each claimed to have caught on the fly. The Tarapalil Club, brought to a close an entertainment that was in every respect a success.

There was a good attendance at the meeting of the hospital auxiliary, held at the residence of Mrs. D. Fisher on Wednesday last, and several new members were added. While the members were seated, while the auxiliary will endeavor to advance the interests of the hospital, it is also intended that it shall be a medium for the reception and transmission of any contributions which outsiders may feel disposed to give to the institution. Money is not the only desideratum, and those in sympathy with the hospital should consult the secretary of the auxiliary as to the kind of gifts that would prove most acceptable. As a special work for the auxiliary, the furnishing of a room in the proposed new wing of the hospital, to be known as the Athens ward, was seriously considered at the meeting. Should the ladies decide upon adopting this idea, active work in furtherance of the object will be at once commenced.

Confirmation Service. Yesterday was a great day for the Anglican population of this village and surrounding country, on account of the visit of the Bishop of the Diocese, Dr. Lewis, to hold the service of Confirmation in Christ Church, Athens. His Lordship, accompanied by his Chaplain the venerable Archdeacon of Kingston, Dr. T. Bedford-Ruffs, and by Rev. G. S. White pastor, and Arthur Lasky, secretary.

The business before the board was satisfactorily brought to a conclusion. The adding of Morison to the circuit was concurred in. The examinations of J. A. Dorman for local preacher and S. E.
