This week a party composed of the following gentlemen start on their annual hunting expedition to the north woods: Bill Halliday, Elgin; B. Lovell, Athens; Albert Brown, Phillipsville; Wm. Neilson, Lyn; Chas. Starg, Brockville; Byron Lovelin, Addison. W. Neilson, jr., and M. Stak accompany the party. Their object being principally fishing. The destination of the party is thirty miles beyond Kazabazum, ninety miles east of Ottawa, on the Ottawa and Gatinau Valley railway, a new line in course of construction. The party will have for scout and guide a Mr. Teeples who is well acquainted with the hunting ground.

In the report, which appeared in your issue of Sept. 26th, of the football match between Seely's Bay and Harlem there are some statements that need correction. At first, it was resolved to take no notice of the squib, but the unsportsmanlike conduct of the Harlem team since then has made it necessary for us to say something in our own defence. First, a few words about the so called "Harlem" team. It consisted of five players from Harlem and the remaining six are borrowed from various places, Delta, Athens and Newboro being prominently. The Seely's Bay team, on the contrary, is strictly local, and on the day of the match was weakened by the absence of four players whose places were filled by juniors, a fact well known to the Harlem team.

In his report your correspondent states that his side had it all their own way and that the ball was constantly on the Seely's Bay goal and, then is obliged to confess that they won only one goal in an hour and a half. To any one who knows anything about foot-ball, such a statement is ridiculous. But that is not the worst of it, his folly is evidently realized by the absurdity of the statement and hastens to offer the following excuses for the small score: "First, 'the Harlem team were kicking against a strong wind.' Does he forget that goals were changed at half time, and consequently the Seely's Bay team kicked against the wind for as long a time as his team? Secondly, he says it was impossible to score, owing to the "pie-shaped" ball. He evidently forgets against his opponents had to kick the same "pie-shaped" ball, which, however, was no flatter than the head of your correspondent.

It was decided that a return match be played in two weeks at Delta. As the time approached the Harlem team "dunked" and asked for a postponement till last Saturday. This was agreed to, but on Saturday morning they failed to appear, telegraphing that the team was "shaded," or, if they are so strong players as the one-sided reporter says they are, surely they will not refuse to put up twenty-five dollars on a return match, an amount which we will cover with thirty dollars, if the game be played in Seely's Bay.

Warranted by J. P. Lamb. RHEUMATISM CURED IN A DAY—South American Rheumatic Cure radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits, 75 cents. Warranted by J. P. Lamb. Robson Wilkinson, of Brownsville, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion, until my health was gone. I bought one bottle of South American Nerve, which does me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy." A trial bottle will convince you. Warranted by J. P. Lamb.
