E. A. BUCKMAN, DIRECTOR AGENT BROOKVILLE

LUCKEY IS GUILTY.

So Declared by the Jury, and He Will Hang on December 14.

The trial of Charles S. Lucket for the murder of his sister opened at Brookville on Tuesday last and lasted until Friday evening. The evidence in the main was a repetition of that given at the former trial. The chief new evidence was given by J. A. Whiting, the old man who is reported to have said he saw Miss Lucket killed but went to the States without telling of it. He was put in the witness box and proved rather an unsatisfactory witness, and being 88 years of age and very feeble he was a hard witness to manage. He said he had been near the Lucket place on a man strike a woman. He had a knife, but witness could not say whether he had used it or not. The woman was also being dragged about by the hair of the head. Lucket took advantage of the privilege granted by the new criminal code, and voluntarily entered the witness box. According to his story, he spent the day in the vicinity of his father's house, but had not entered it as far as he knew, it was his father's place that was burning; heard at Smith's Falls that his father, mother and sister were burned in the building; and then went to bed. The judge in his charge to the jury clearly reviewed the evidence and gave them the case to decide at 2.30. At 4.45 they returned with a verdict of guilty. The prisoner received their finding and the sentence of the court, unmovable, and returned to prison with a firm step, from whence on Thursday, 14th December, he will be brought forth to pay the penalty of his awful crime. The prisoner still protests his innocence and no change is noticeable in his demeanor since receiving his sentence.

COUNTY NEWS.

OAK LEAF.

MONDAY, NOV. 6.—Sunday last being the anniversary of the Gunpowder Plot, it was worthily celebrated by the Orangemen of L. O. L. No. 9, together with visiting brethren of L. O. L. No. 14, Addison, and of L. O. L. No. 301, Athens, and a fair representation from Westburn lodge, by attending divine service at Trinity church, Lansdowne. The service was ably conducted by Bro. Rev. Wright, taking for his text 27th and 28th verses of the 9th chapter of the book of Esther. From which his eloquent sermon will surely prove both instructive and beneficial to the mind and heart of each brother and all present, abounding that a God fearing man was a true citizen and a loyal brother. In conclusion, he most earnestly exhorted each and all to awake to righteousness and fear not. The service ended, the brethren marched to the Hall where the following motions were put and unanimously carried: Moved by Bro. A. W. Johnston, sec. by Bro. Peter Johnson, that a vote of thanks be tendered the Rev. Mr. Wright for the very able discourse which we all have had the pleasure of listening to this afternoon. Moved by Bro. W. B. Jacob, and sec. by Bro. Bolton Johnson, that the thanks of the brethren be extended to the choir for their assistance in the service to-day. Moved by Bro. G. E. Goslin, sec. by Bro. L. W. Copeland, that the thanks of No. 2 be extended to all visiting brethren for their presence on this occasion, and also assured the brethren that when the time came for us to return the compliment we would not be found wanting. Bro. Moffat, of Addison, and Bro. Preece, of Athens, each replied in a few words on behalf of visiting brethren, after which Bro. A. Moulton moved the proceedings in the prescribed form.

WESTPORT.

SATURDAY, NOV. 4.—Mr. W. C. Fredenburg has sold his yacht, Mascot, to W. N. Tooley and T. Scovall, of Portiasag.

The new yacht is nearly completed. Mr. Lewis Brown, Jr., who had been sailing for some time, died on Friday last. Deceased leaves a wife and child to mourn his loss.

Mr. P. M. Hilton and J. H. Martin have rented the Curry Mills for a term of years.

Mr. J. W. M. Diar has purchased a handsome residence on Church street, formerly owned by Richard Myers. The Ladies' Aid intend giving a Thanksgiving Tea on Tuesday to aid in buying a new organ for the Methodist church.

FRANKVILLE.

The revival services have closed. Mr. James Gallagher, while shipping on a barn, fell a distance of 38 ft. and sustained severe injuries. He is our old duty this week to chronicle the death of an old and respected resident of this place in the person of Mr. James Rudd, who passed over to the great majority on Wednesday at the advanced age of 75.

SEELY'S BAY.

FRIDAY, NOV. 5.—Rob't Coleman, of Oregon, is home on a visit to relatives and friends, after an absence of over eleven years.

WEXFORD.

MONDAY, NOV. 6.—Mr. P. Flood and wife have returned from the World's Fair. Charles Birch passed through our town to-day.

ADDITION.

SATURDAY, NOV. 4.—Mr. John Gray, of Etley, paid our village a visit on the 3rd inst. In the absence of Mayor Kelly, Deputy Browne escorted him through the principal business institutions. The art gallery and museum were first visited, after which he was shown the fire and water departments by Fireman Hall and Godkin, by taking a run up King street. He seemed highly pleased with his short stay in our village, but the principal attraction was the Florida House, which is by far the best kept of any in this section. Mr. Gray left on the evening express for his home, all wishing him a safe journey, hoping to make it pleasant for him if he should favor us with another call. Mr. Edward Stovell, of Maple Grove, is a happy man. It's a boy. This sister party given in Ashwood hall on the 3rd inst., was a grand success. Since the announcement of H. B. Mead's chess sale, crowds are daily seen from Etley, coming and remaining country, possessing applied for the bill and winter. Etley is a hustler, and gets these every day. A number of our local sports attended the fair at North Augusta yesterday and secured some fine stock. Mr. George Charlton, King st., purchased Nelly By, the big-fisher. George will take just from no one else. Mr. H. Blair, of Spring Valley, is visiting at her mother's at Pleasant Valley.

Mr. Frank Bayton, of Lyn, has purchased a fine farm at Mt Pleasant, from Aaron Lapointe and will move onto it in a few days.

TOLDO.

SATURDAY, NOV. 4.—Wm. Sherman is home again after a visit to the North-west.

Bert Wood spent part of this week at home. A large number from here are attending the sessions at Brookville this week.

Mr. M. D. Marshall and Mr. Geo. Thony returned home from Chicago last week and report a large time. A pumpkin pie social on Wednesday night, Nov. 8th, at the residence of Mr. S. Clark, in connection with the Epworth League. All are welcome. A ten cent collection will be taken.

MALLOTTOWN.

TUESDAY, OCT. 31.—Miss Annie Scott spent Sunday in town, the guest of her aunt, Mrs. A. Hagerman.

Our cheese-makers seem to be able to hold their own pretty well at the World's Fair. Of the two cheeses sent from Malloy's factory, F. Blanchard made one scored 97 1/2 out of the possible 100, while the other scored 99, being one of the only five scoring so high. Another grand victory for Frank.

Mr. E. Purvis is erecting a commodious building in which to store his farming machinery.

MCINTOSH MILLS.

MONDAY, OCT. 30.—D. Ladd has erected a very fine chimney on the stone block.

Mr. M. Anglin has arrived home and gives glowing accounts of his western tour. Mr. J. Palmer fell from the top of a corn crib and got a 'knot-hole' in his eye.

Mr. B. Gavin and C. Rape, of Lomaville, received a very enthusiastic welcome on their visit to Sheatown.

Mr. J. O'Neal and J. O'Donnell are visiting friends at Yonge Mills. Visitors: Mr. L. Nam, J. Lappin, L. Warr; also, Mrs. Loman, Mrs. O'Grady, Miss Gavin and Cuddy Spence.

FRONT OF YONGE.

MONDAY, NOV. 6.—Mr. M. J. Connolly, as a magistrate, disposes of more hard and intricate cases than any other official in the county.

The road between Janetown and Caintown, on Halloween, was completely blocked with gates and rails. The track is again clear and traffic resumed.

Mr. Z. Purvis, with his new bride, has again moved into his beautiful residence in Janetown.

Mr. Newton Avery, of Janetown, is building a splendid cottage for his tenant farmer, near the foothills of the Blue Mountain. Mr. Avery is an extensive farmer.

Great changes have been effected in many of the old families in this neighborhood. The cheese makers are returning home after a successful summer's work, and with plenty of currency. These we have seen look the very picture of health. Cheese seems to agree with them.

FAIRFAX.

Mr. P. Rape has been very ill for some time past, but we are pleased to learn that he is convalescent.

A number of our young people spent Sunday at McIntosh Mills, and speak in high terms of the reception given them. The young people of this place have recently organized a string band. It will presumably be a great acquisition to Fairfax.

Mrs. B. Gavin is having a handsome and costly monument erected to the memory of her husband.

Mr. C. Rape spent Sunday in Beaverton. A very interesting bicycle race took place here on Thursday last, and was witnessed by a large number of eager spectators. The opposing parties were Messrs. P. Lappan and G. Weart, both of this place. The purse was held by Mr. J. A. Loman, who amid loud applause, handed it over to Mr. Weart.

Mike Lappan has just recovered from a severe attack of lock-jaw. T. Haden was the guest of Miss Lena Murphy on Sunday last.

W. C. T. U. NOTES.

At the great Union Prohibition convention held in Toronto, Hon. H. S. Blake said the question that had called the great convention together was whether they would accept prohibition. The prize was within grasp. Blake was damnable. Little Manitoba, by a majority of 15,236, had passed it. Were they going to let the babe in arms outstrip the mother. Rev. Dr. McKay, of Woodstock, said the Government of the country could never be right while church members go arm and arm with the rum seller and bar-room loafers to the polling booth and mark the same ballot. There would be a terrible reckoning for the church members some day. Mr. Carwell said: "If every elector would just say the Lord's prayer before going to the polls, they could not vote in any way, for no one could pray, 'Thy Kingdom come, and Give us this day our daily bread,' and then vote to perpetuate an evil which was the greatest enemy of the kingdom and the cause of hundreds of thousands being daily without daily bread. The rum-seller and the rum-drinker make a trio so related that they constitute the whole of the liquor traffic. And they are so related that if any one of them should go out of business, nothing would remain for the other two. To-day, the young man who stole \$2.50 and a silver watch belonging to J. V. Phillips, of Philadelphia, as reported by our correspondent last week, pleaded not guilty when brought before J. C. Reynolds. He is said to have originally come from an orphan home at Kingston. He was sentenced to three years in the reformatory. At Barr's leading drug store, Brookville, Perfumery, best extracts from 10c a bottle; box soap paper and envelopes 10c; whiskies, 10c each; hair brush and comb only 25c; handsome large album from 75c each with patent clamps; curling iron only 5c each; three-prong waxing iron only 25c; English transparent glycerine soap only 10c a cake or three for 25c. Other bargains too numerous to mention here. Call early and inspect stock. N. B.—Best place to buy your drugs and medicines. Warranted by J. P. Lamb.

LOCAL SUMMARY.

ATHENS AND NEIGHBORING LOCALS BRIEFLY WRITTEN UP.

As seen by our Knight of the Penult—Local Announcements Boiled Right Down. Road McLaughlin's adv't this week. Division Court opened in Athens to-day.

18c paid for eggs at Nott & Robertson's. The Shipman murder trial is expected to open at Brookville to-day. Fifteen incandescent electric lights in Smith's Falls cost only \$20 per annum.

Mr. and Mrs. Harry Johnston returned to the Armstrong House from Cedar Park last week. Carriages built to order, repairing and painting done in first class style at moderate prices.—A. James.

A lamp exploded in the barn of W. Galloway, Sweet's Corners, on Sunday, 29th ult., and burned it to the ground. Don't fail to see the reason we are offering for \$1.95 per box, this season's crop and No. 1. Mott & Robeson.

The members of the W. C. T. U. will please take notice that the hour of meeting next Friday afternoon will be 4 o'clock.

Miss Coak, of Toledo, Miss Cameron, of Woodlands, and Mrs. (Dr.) Gallagher, of Newboro, were guests of Mrs. J. L. Gallagher, Reid st., last week.

Men Wanted—Sheldon Bullis wants twenty good wood-choppers, immediately, to work in his woods near Athens. Good wages, steady work—apply at once.

A large flock of wild geese was at Lake Elzoids last week, and among the number was a very large one of snowy whiteness. This is probably an Arctic goose, a very rare bird in this latitude. Colored chamber sets—pink, brown blue and grey—only \$2, and full dinner sets in all the new colors for \$6.50, at China Hall, Brookville.—T. W. DENNIS.

An awful tragedy occurred in Chicago Saturday night, Oct. 28, when Carter Harrison, the Mayor of the city, was shot dead in his own house by an insane man named Prendergast.

General sympathy is felt in Newboro for Mr. J. C. Stanton, merchant, whose wife died after a week's illness. The L. O. F. attended the funeral and passed a resolution of sympathy with the bereaved husband.

A mother in one of the rear townships wrote the following note to the fair district school m'as: "Please don't teach my Mary any physiology. I don't want her to know about her inards." It is expected that the Kazabaza hunters will reach home from their trip up the Guinness on Thursday. They report the scenery grand, the fish abundant, and the deer not too numerous.

Addison council of Chosen Friends will attend divine service on Sunday next at 2 p.m., when they will be addressed by Rev. W. Service, of Ailsa villa. Members of neighboring councils will be welcomed.

On Friday last a number of members of Athens corps of the Salvation Army drove to Brookville to take part in the welcome that was extended to Commandant Booth. A grand street parade took place and a big meeting was held in Victoria hall.

The promoters of a skating rink for Athens are meeting with strong encouragement. A hockey club is also contemplated, and already the names of those who will probably compose the team are mentioned.

Halloween was celebrated in the usual manner on Tuesday evening last. Considerable hard work was done in the way of constructing barricades across the sidewalks, transporting gates, etc., but no great damage was done in any part of the town.

The Watertown Times asks Mr. D. Derbyshire, president of the Ontario Creameries Association, to "bring that cheesemaker Blanchard along with him when he comes to the annual meeting of the Watertown Produce Exchange."

Prof. Robertson's estimate is that the success won by Quebec cheese at Chicago will have a monetary value of from one quarter of a cent to one half a cent a pound on the dairy product of the province, and that on the present year's output the increase will represent \$100,000.

The business of shipping cattle and lambs to the United States this year is said to be very low. Lambs are worth only half as much as they were last year and even at low prices there is no sale of them. The cattle market in England is dull and lately shippers have lost money.

The special services in progress in the Methodist church under the supervision of the pastor, Rev. John Grenfell, assisted by Rev. Mr. Blanchette, are proving highly successful. A very encouraging work is being done, especially among the young people of the village.

About a month ago a firm styling themselves "Shaw & Simpson, producers, Montreal," advertised extensively in county papers, soliciting goods to sell on commission. According to the Montreal Star, the firm has proved to be a fraud of the rankest kind. They bought on credit, sold for cash, and then skipped the country.

To-day, the young man who stole \$2.50 and a silver watch belonging to J. V. Phillips, of Philadelphia, as reported by our correspondent last week, pleaded not guilty when brought before J. C. Reynolds. He is said to have originally come from an orphan home at Kingston. He was sentenced to three years in the reformatory.

At Barr's leading drug store, Brookville, Perfumery, best extracts from 10c a bottle; box soap paper and envelopes 10c; whiskies, 10c each; hair brush and comb only 25c; handsome large album from 75c each with patent clamps; curling iron only 5c each; three-prong waxing iron only 25c; English transparent glycerine soap only 10c a cake or three for 25c. The Rev. H. G. Mellich, Sup't of Baptist Missions in Manitoba and North-West, will (D.V.) preach in the Athens Baptist Church next Sabbath evening, Nov. 12th.

Last week our baseball boys received a challenge from Glanville club to play a match on the ground there on Saturday. Although club declined to accept, fearing that unfavorable weather or might intervene. This refusal makes "honors even," and the two teams (both of which are excellent) will have to rest content till next season.

The ladies committee of the Brookville General Hospital wish to acknowledge with grateful pleasure the tokens of sympathy for the efforts of the Athens Auxiliary for the benefit of the hospital: 23 towels, 4 sheets, 3 pairs of pillow slips, 1 tray cloth, 30 lbs. maple sugar, 32 jars fruit, honey and jelly, 15 cans syrup, pickles and sauces, 8 bottles wine, 3 packages corn starch, 2 bushels turnips, 7 bushels potatoes, 80 cabbages, 6 dozen eggs, 25 lbs. flour, 21 bushels apples, and \$5.15 cash.

The lake-abiding anglers have deserted Charleston Lake, but there are those who love the fish better than they do the lake that protects them, and so the Hermitage is still occupied by the inspector. The dark nights, the chill winds, the fall mists, are all welcome friends of the fish pirate, but at times even these fail to thwart the vigilance of the law's guardian. Last week a boat from the Outlet yielded up his boat and nets and paid a fine for netting.

The funeral of the late W. A. Webster, Dominion Immigration agent, took place on Wednesday. The remains were taken to the Grand Trunk Railway station and then conveyed to Lansdowne, where a large number of people had assembled, including nearly all the prominent men in the county. A funeral sermon was preached, but at times even these fail to thwart the vigilance of the law's guardian. Last week a boat from the Outlet yielded up his boat and nets and paid a fine for netting.

A shooting match was proposed for last Saturday but was indefinitely postponed. If the boys intend placing a premium on the shooting of "no-game" birds, chipmunks, etc., they had better never hold the match. The slaughter of these little innocents is simply brutalizing, and no self-respecting boy or man with the instincts of a gentleman would be guilty of it. No premium should be placed upon the death of any bird or animal that is not enumerated in the provincial game laws.

Visitors Welcome. You are invited to call at Barr's drug store and inspect their elegant stock of fancy goods. Purest of drugs and remedies, and genuine patent medicines at lowest prices. Finest stock in Brookville. Dispensing a specialty; prices the lowest; quality the best.

Temperance Convention. The Leeds County Temperance Convention was held in Brookville, Oct. 30th, 1898. Rev. Dr. Saunders, president, in the chair, and Mr. Morford Arnold, assistant secy, acting as secretary of the convention. This convention was fairly well attended, though several sections of the county were not represented. The presence of a number of ladies deeply interested in this work was very gratifying and helpful.

The chief subject of discussion was the thorough and effective organization of the temperance forces and christian branches of the county for the coming plebiscite campaign. After much careful deliberation, the following resolution was unanimously adopted, and prompt action thereon is earnestly urged on ministers, temperance societies and temperance people generally throughout the county: Moved by Mr. P. Orser, seconded by Rev. W. Knox, that this convention, recognizing the importance of united effort of the churches and all temperance societies in connection with the coming prohibition or plebiscite campaign, we earnestly recommend:

1. That sermons be preached upon the subject in all the churches in the county. 2. That all temperance societies unite with the churches in holding public meetings throughout the county to present the question to the people. 3. That the committee appointed to work in the different municipalities be requested to wait upon the municipal officers thereof in order, if possible, to secure their co-operation in this great work of prohibition. 4. That should their work be not accomplished through the vice-presidents or conveners of township committees, that the township be organized in the manner pointed out by the great Toronto Convention lately held. An active personal canvass of every voter was also strongly recommended for every section or school district in the county.

On motion of Rev. Mr. Gracie, as empowered by Col. Cole, the president was authorized to add to the executive committee such persons as he may think proper in the town of Brookville, men, women, with the executive, to form a central consultation committee. Such a see'y pro tem be appointed in Brookville. This committee is also empowered to take whatever course may be deemed necessary or best in regard to finances. The President appointed Mr. Costes, Col. W. H. Gold, and Mr. John W. Gill as members of the above executive committee.

On motion of Mr. Orser and Mr. Sheppard, the Leeds County Temperance Alliance was made a permanent organization with the officers to be elected annually. JOHN GOSWELL, Sec'y.

Died in Manchester. The following paragraph, which we clip from the Manchester (N. H.) Daily Mirror of Oct. 31, will be read with sympathetic interest by the many friends of Mrs. Keams (nee Miss Blaik) in this section:—

The funeral of Harry, child of James and Minnie Keams, was held at the home of the parents in West Manchester at 2 o'clock yesterday afternoon, Rev. N. L. Colby officiating.
