WINTER UNDERWEAR

We are at last commencing to have weather more like winter and to feel the need of heavier clothing. We are well prepared for the demand, and have the fullest stock of Mey's and Women's Underwear in Brockville. We have two special lines -- a line of German Underwear, the special characteristic of which is its extreme softness, soft as down, will not scratch, and almost unshrinkable. Another is a line of Canadian Underwear, better than any Scotch goods imported, all wool, yet almost impossible to shrink them. These are two lines that sell whenever shown. We have them in Men's, Women's and Children's. We keep Men's heavy Undershirts from 250 up, and Women's vests
