To the Number of Four Hundred Liberated from Their Heinous Captivity—The Cruelty of the Savage Slave Trade.

QUEEN LIL'S CANADIANS.
The Government Making Victories Into the Reign of Victoria, B.C.
CHICAGO, Jan. 13.—A special to the Herald from Victoria, B.C., says:—"The militia department at Ottawa having heard through the press of the proposed expedition to Honolulu, organized under royal auspices and directed on this side from London and Vancouver, Major-General Herbert has caused inquiries to be made by Colonel Paton, deputy adjutant-general for this district, in the following manner:—"Whether the Canadian Government can interfere in any way, as the men who have been organized to serve as the Queen's Own Corps do not intend to go armed or by any overt act putting themselves in conflict with the neutrality laws, and they claim the right to go to the Hawaiian Islands or anywhere else where employment of any kind may offer.

WHERE'S MOTHER?
Bright only heads pop in all day to ask, "Is mother here?"
The Jews are on the rampage and awfully disagreeable.
She ought to wear a silver bell.
No need to fly from room to room.
And, like the happy little lambs, Just follow us—St. Nicholas.

VARISHED.
I was engaged to be married. My mother had died when I was aged 18, and since her death I had been my father's housekeeper and nurse. My brother, two years my elder, was at the bar.
We occupied a suburban villa residence—rather superior to a villa—it had a large garden in front, and a driveway leading to a carriage house, which the drawing room window opened. We looked to regard ourselves as a cut above suburban villa people.

ONLY \$2.25. WONDER WATCH
Movement of mechanical skill. High priced watches are not so common as they were once. A big clock watch so extensively advertised, but a hand made watch of the same quality and accuracy, and the result is the WONDER WATCH. It is a masterpiece of mechanical skill, and is guaranteed to run for a long time.

BEHIND THE FOOTLIGHTS.
Eleanor Carey has left Sol Smith Russell's company.
"Montana" is the title of a play Robert Drouin is writing for the Elks.
The new man from London that Geraldine Ulmar has grown very stout.
"Another Man's Wife" is the title of the latest play from the pen of Fitzgerald Murphy.

UNEMPLOYED IN GERMANY.
A Proposed Cauterization of Workingmen.
BERLIN, Jan. 19.—An anarchist named Radonius issued a call a few days ago to the unemployed workmen in Berlin to hold a meeting in the evening at the opera house. The meeting was held at the opera house, and was attended by a large number of unemployed workmen. The meeting was held at the opera house, and was attended by a large number of unemployed workmen.

CAPITAL GOSSIP.
Canadian Cattle Shipping—Sub-Collectors Officially Dismissed.
OTTAWA, Jan. 23.—A delegation is expected in the city from Montreal in a few days to ask the Government to use its influence with the United States Government to permit Canadian cattle being shipped by United States ports in bond. The cattle are shipped to the United States, and are then shipped to the United States.

THE HUMAN RACE.
Gypsy (reading her palm).—"You will probably marry a hair-brained, impetuous young man with a large nose and a small mustache, who will drink and abuse you constantly. You will have ten small children, and die of cholera in washing, at the age of thirty-one."

INQUEST ON DANIEL CAMPBELL'S DEATH.
Georgetown, Jan. 23.—Constable Bradley of Milton has received instructions from the County Crown Attorney to find out beyond doubt the cause of the late Daniel Campbell's death. Summons have been issued to compel a jury and hold an inquest. The remains were taken up Saturday and viewed by the jury.

SCOTT'S EMULSION
Everybody knows that most preparations of Cod Liver Oil are disagreeable to the sense of smell and taste. Almost everybody knows that Scott's Emulsion (of Pure Norwegian Cod Liver Oil and Hypophosphites of Lime and Soda) is not like the rest. It is a wonderful curative agent. Cures a chronic, rasping cough, heals and strengthens the lungs, checks any wasting disease and produces flesh.

FIN, FEATHER AND FUR.
Some insects while in the larva state never sleep, but it is necessary.
Bats fly freely, but their movements on the ground are laborious and clumsy.
The hare is particularly shy in March, notwithstanding the old saying, "mad as a March hare."

THE COUNTRY OF ESSEX.
Miss Adele Grant of New York recently in London became Mrs. George Devereux de Vere Capell, countess of Essex.
Another American girl was married to an English count recently.
