ha was a hero of the first water, was an Arkansas farmer who sailed under the honorable name of Miller. Of course you all know that in Arkaness it is against the law of the commonwealth to use dynamite in the public waters. Well, to hurry through the statement of the case, a ot of us came to the conclusion that if we | THE wanted to make a big hanl of fish it would be necessary to use a little force. Accordingly dynamite bombs were secured, and we asked Miller to go up stream and throw the bombs in, while we, his guests, would gather at a ford a few rods down and secure the floating fish. Miller, accompanied by a highly educated water spaniel, went up the bank and of the water. He hurled one missle, fuse his dog was in the water, and in a moment he had the bomb in his mouth, awimming

"'Drap it, Tige!' shouted the farmer. "But the dog would not obey. He swam wildly forward and in 20 seconds had landed. Miller started to run, the dog coming after him at a broakneck gait. Miller ran toward the fishermen below. They realized the situation in an instant, and leveling their guns warned the farmer to head in another direction. The situation, for all its seriousness, was the funniest that I over LVN naw. Miller ran wildly down the hill, yelling at the dog to go back.

'Stop!' he yelled. 'Drap it, Tige! Go home!" But the dog only increased his ef-But the end soon came. The fuse burned its length and then—Miller never recovered ways have a good fire, as it settles toeven the collar of poor Tige."-St. Louis gether as it burns down.

Send speaking, a labor member roso to a p. c. for prices. point of order that the Minister being intoxicated should not be allowed to address the House, Mr. Copeland demanded an apology, and addeds "You scoundrel, I'll wring your neck if you give me a chance." To put his threat into execution he rushed across the floor to get at Hindle, and was with difficulty restrained from a violent assault. The Speaker ordered Mr. Copeland's removal from the House and the

galleries were cleared of spectators. About National Airs. The national airs of great countries are short, while those of little countries are long. "God Save the Queen" is fourteen bars, the Russian hymn is sixteen bars, and "Hail Columbia" has twenty-eight bars. Siam's national hymn has seventy-six bars and that of ruguay seventy, Chili's forty six and so on. San Marino has the longest national hymn, except China's, which is so long that people take half a day off so listen to it.
