# COUNTY OF LEEDS ADVERTISER.

Athens, Leeds County, Ontario, Tuesday, April 3, 1894.

When Looking

about with your mind full of the thought "what shall I buy for my spring dress?" remember that we are simply crowded with new goods of all styles, kinds and sorts, so much so that in spite of our floor space (the largest in Brockville by long odds) we find it difficult to display everything to advantage. Whether it is a washing dress, such as Sarcen, the new Crinkle Cloth, Chambray, Gingham or Print, or a pretty stuff dress, Challie, or Summer Silk, whatever it be we are right to the front with all that is new and fresh, with prices cheap as the cheapest, or qualty good as the best, just as you desire.

Carpets

The largest stock in this section to select from. We are the only direct importers of Carpets in Brock ville. We buy from first hands, and our prices are correspondingly low. We have no old stock to force off, all our patterns being fresh and new. Goods shown with pleasure, and estimates given. See our great line of best Moquetts. Greatest value ever offered. Get our prices.

" That to that end the tariff should be Alfred Grant's house at North Sydney, Assembly. The motion was lost on divi reduced to the needs of honest, economical after talking for a while the accused went | C.B., was burned on Friday morning and sion, Messrs, McNaughton and McCallum and efficient government, should have tection to particular industries at the expense of the community at large, and should

be imposed for revenue only. "That it should be so adjusted as to make free, or bear as lightly as possible, upon the necessaries of life, and to promote freer trade with the whole world, particularly with Great Britain and the

United States." Hon. Mr. Haggart replied. He spoke of the speech of Sir Richard Cartwright as an effort to talk around the subject, not attempting to deal with the tariff resolutions as introduced by the Finance Minister. He challenged the Opposition to show wherein the expenditure of the country could be reduced. He denied that the Conservative party was corrupt, and said that the contributions from manufacturers were not sufficient to pay for the printing of the pamphlets sent out to the electors. He charged that the boot was on the other leg, quoting from a speech delivered by Sir Richard Cartwright in Napanee in 1878 to show that he had frankly acknowledged that he purchased the constituency. He the granting of a bonus and the exemption also quoted from Edward Blake to show that a protective tariff was a necessity for several years in this country. He (the speaker) did not see how taxes could be levied except in such a way as to afford neidental production to the manufacturers, That is the posicy of the present tariff.

OTTAWA, Ont., March 80. - The whole of resterday's session, after the answering of questions and the usual routine, was devoted to discussing the budget. Hon, N.
