RUN ADRIFT IN A GALE

The motion was lost by a vote of 208 to 166.

Five Young Nova Scotians Go to Sea in a Small Boat and Are Lost. River for Church Point in a small craft called the Dot. They sailed as far as Meterhan and finding the gale increasing and wind ahead, turned back to Cape Cove and ran the craft aground about one hundrel yards from the wharf. A short time after going on board they were seen to get under way, and when last seen they were running before the wind under mainsail and jib. It is supposed they intended to work the craft in under sail and something going wrong were blown off to sea and perished. They had neither food, water, compass, stove or light. Their friends have telephoned up and down the coast and can get no tidings. Experienced scamen say that it was impossible for a little craft to survive at sea in the fearful

MELLO SURRENDERS-

He Gives Up His Sword to the Uruguayan Government-Cabinet Difficulties. MONTEVIDEO, April 16.—The Urnguayan government, after having been notified by Mello of his desire to surrender, sent out a battalion of infantry to receive his submission. The commanding officer, after conferring with Mello, accepted his sword and placed him and his followers formally under arrest. Mello landed his men from

wounded and the government forces 100 in the recent battle at Rio Grande do Sul. is unarmed. What is left of the insurgent Dated at Delta this 17th day of April 1894. rived on Urugayan soil. Mosher was seen to go up town the means to God, very beautiful, at 12 cents, with borders and with him, as after his departure every- dence qualification, and that all elections best for it storm or sunshine, wind, from Is cents per roll upwelleds. Decerations rain or trost. Thou hast made it, and less variety. Give us a call and see for your thou dost know." Choice in Guns.

In guns the old-style flint locks, with stocks carved and painted in colors and with the barrels painted in peculiar Clearing hieroglyphics, are sold to the Arabs and African tribes in quantities. The South Sale Of American takes a dainty barrel of the smallest gauge, with the stocks elaborately carved and ornamented. The European bays a gun exquisitely finished and tulaid in tracings of gold.

BARGAIN DAY

Realizing that the most advanced methods of doing business must be adopted by those wishing to march in the front etreet west, took an overthose of ehloroform rank, we will on Friday next inaugurate the bargain day system, and on that day we will give cash buyers the most irresistible inducements in every department.

Our twenty years' business record stands out bright and dence of Angust Erinkle, three miles west clear for honorable dealing and steady progress, and at no time repent of the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing, be the law is very strict and taken I trust, shall be ever more undearing. Mr. And Mrs. A. Gilbert, of Ganan of the Mrs. A. Gilbert, of Ganan make new friends and to give our customers advantages enjoyed by those living in large cities, we have decided to adopt this system, at the sacrifice each week of one days profit.

We give our word to do our part, and only need your ca operation to make our Friday Bargain Day a grand success. Watch this space for Bargain Day prices the coming
