nead; he had not looked behind film; and yet he showed by his speech that he knew just what the youth had seen. How could he have known this if he had not known who were at hand?

But the question was no sooner answered in his own mind than he was called upon to defend himself; for while he yet gazed to see if the strangers were inclined to advance,

the brave attacked him. blow, "you have sealed your own doom. This is the fate of those who interfere with

ing himself, and his next blow was given as he could command, he directed him to with more care and precision. He did not | Process hit his mark, however; and a fierce oath escaped him. Our hero very quickly discovered that his antagonist was a mere lout at handling the sword; though his immense physical power gave him fatal advantages over ordinary swordsmen. "Forbear !" cried Orlando, after the third

passage. "I want no more of it." "Ha, ha-you don't, ch! But I do. 1 must have your life-Ha! Take cars-here

And so it is was; but not as Mattee meant. He fancied that he was about to cleave the head of his opponent; but instead thereofthe point of the youth's sword entered his body directly below the arm, passing through his heart; and, in a very few momenta more, his gigantic body tumbled over upon the ground; but not, however, until he had cried out in sharp agonizing tones that

Before Vendorme could fairly recover himself from his shock, the men whom he had seen behind the paling, three in number, rushed in upon him with their swords drawn; and as they came near he saw that they were what he had supposed them to bemembers of the ducal guard.

"Hold!" he shouted, starting back against the edge of the platform. "What means this violence? Who are you?" "We'll bet you know who we are," returned the foremost of the guardsmen, stopping for an instant when he reached the body of his fallen companion. "I think for once we'll take a dead prisoner into our hands!-Look, my brothers," he continued, addressing his followers, "this wretch has slain our lieutenant, and he acts as though he meant to serve us the same. There's no

did they ply their blades that the youth had as much as he could do to defend himself. Had he but taken the precaution to

can we not hit this fellow? Let me take | ing me information. a fair sweep at him. There!" If the rascal had kept his tongue to himself his furious onset might have accomplish ed something; but his boastful words had caused his companions to fall back so that he might have room; and thus, for the moment, he was the youth's only antagonmight have borne the young armorer down | encounter.

"Ha!-here!-here! Quick, my son. As he came near he saw how the case shall be done now? Hath this fellow a from his bench, and murmured to himself of "Hark!" stood; and, without hesitation, he drew charmed life?" his sword and cleaved one of the villains moment more the remaining ruffian was sent to earth with his skull almost severed

"By the mass, my good Michael," said Orlando, as soon as he had time to take breath, "this is a curious work." "Indeed it is, my master," returned the artizan, gazing around him. If I mistake not, yonder lies the huge body of Mattee." "Yes," replied Orlando. "He attacked me first; and as I slew him, these other

three followed his example." And there-

so I came away after you as quickly as pos: Milanese are a passionate set, and ripe for I am alone, and must not be seen by curious A low, harsh creaking, as of the grating meant to finish you, surely." "Aye. And who, think you, planned this thing?" queried Orlando.

"It must have been some one who held control of the guard," replied Michael. "Certainly; and I think the duke is the prime mover. But what shall we do now?" This was a question which Michael did not feel competant to answer. "You have but to command," he said,

"and I will obey; but I can give no advice in this case." Orlando reflected awhile, and finally ba "I think I will go home and sleep upon

it, and in the morning I shall be prepared to decide. We willlet these bodies remain "No, my master."

"Then let us return." The armorers reached their house without further molestation, and as they did not transpired, they said nothing of the bloody secret. There shall be no second escape. think there are none others stirring beneath and the said nothing of the bloody secret. There shall be no second escape. fray, but conversed as thought nothing un. The upstart shall disappear as quietly as the this roof. Now, lady, may I know who and success stamped upon thy face. There has usual had happened; and so they retired to sun goes down at the close of day." their rest without awakening any suspicion in the mind of the anxious wife.

On the following morning, Orlando had made up his mind to go to the duke and make a plain statement of what had transpired. same light. She had learned what had no idea that Manfred will cherish vengeance, member Rosabel of Bergamo ?"

tion to fear. "Certainly," she said, after due deliberation; "you meas on. If you openly avow on account of this, then he has already had." "You speak wisely," said Orlando; "and your voice has decided ses. My course is plain, and I shall follow it, trinting in God for also arismuch of chelpt."
