A TRAGEDY-

- monotones Woman Who Kept Her Children h Ignorance of the World. There are tragedies in nearly all people's lives, though some may never know them by that name. We find them, too, in most unexpected places. Which reminds me that one day I stopped for dinner at a house in the Cumperland mountains, so deep in tue fastnesses, that I had to employ a guide to show me the way to the first road that would take me out to the county road. The family consisted of a man and a wife, with six daughters, and a more ignorant lot of people, I think I never
