Why He Wears a Bracelet. An uncle of mine found a horseshoe on his 21st birthday while going to apply for a mate's appointment on board a ship. He obtained the birth, and, ascribing his success to the horseshoe, had the metal hammered into a rough brrcelet round his left wrist. Six months later, while leaning over the taffrail, a block fell from aloft on to

partment of music in which Schubert | the bracelet, whic probably saved him be transferred from Rockwood asylum has not in some of his efforts reached from a braken arm. Two years after, a the highest summit of musical achieve. | mad dog flew at him, only to break his Here is a change in the marriage law which may interest some of our young ladies and gentlemen. It requires persons applying for license who are under the age of 18 years to may be applied, in a general way, to Haydn and Mozart, too. To
