well dressed, and expressed a desire to settle down in his birthplace. He cast about for employment and shortly after he reached here procured work with the Electric Light Co. In September he disappeared. He left suddenly and without warning one Saturday night, after being paid by the Light Co.

News of Chattelle's arrest caused a sen-

sation in St. Hyacinthe and the confession

he has made caused another and greater one. It is believed some of Chattelle's relatives will go from St. Hyacinthe to Stratford to see the unfortunate man. Chattelle had a conversation with a reporter, in which he told of his loathsome crime. He met Jessie on the track and attempted to assault her.

"Did you accomplish your purpose? "No: she resisted me on the track, and was too strong for me, and after a struggla I hit her on the head with a stone, rendering her insensible. I then half-carried, half-supported her across the field to the bush, where I cut her throat and then in-"What did you do with the organs you

removed ?" "I buried them in a field near where the value was found. I can't describe the place exactly, but if a bloodhound was put on the scent it would find them.' "Why did you remove the parts?" "I don't know; after I found I could not accomplish my purpose I became mad-

dened and did not know what followed," Why did you strip the body ?" I don't know." "There was a strong case against you ?" "Yes, and the witnesses told the truth "They say you have been guilty of simi-

har acts before this ?"

"No, never; and I would not do it again for all the world. I am sorry I killed the "Were you not afraid of being lynched?" "I would not have cared. I might as . well die to-day as to morrow. What difsay. Then he was removed to the cell, ference does a day make? I did it. I have confessed it, and I have got to die anyway, and the sooner it is over the bet-
