SENIOR SUPPORT PROGRAM-NORTH LEEDS

This VON Seniors Support Program - North Leeds is pleased to announce that the Medical Transportation Program, has recently received additional funding from the Ministry of Community and Social Services in order to offset the cost to user. Drives to medical or medically related appointments for persons aged 55 and up will now range from \$ 3.00 to \$ 15.00 roundtrip, depending upon the destination and distance. This fee, paid by the senior is used to recompense the volunteer drivers for their gas consumption, etc. Volunteer drivers, who are assigned by the VON Seniors Support co-ordinator, will drive the senior from his or her residence to the site of the appointment and its conclusion, return to the senior's home.

Four days advance notice is requested whenever possible. The co-ordinator will attempt to arrange drive on shorter notice occasionally, but cannot guarantee a drive.

For further information, please contact Marian McLeod at 359-1068.
