

## North Leeds Lantern Community & Tourist Guide

The North Leeds Lantern prepares the Tourist Information Directory as a public service to our visitors and as a way of saying "thank you" to our many local businesses: merchants and services; who support the Lantern by advertising with us. Every attempt is made to include all possible entries and these are checked with each of the Municipal Clerks. Businesses/services are listed under the area in which the major part of the business/service operates. Many offer additional services within their establishment. The Lantern apologizes in advance for any errors or omissions and asks for new enterprises to contact the Lantern for inclusion in the 1993 Tourist Information Section.

From Hardware Stores to Lumber Yards: Builders to Florists, NORTH LEEDS has them all.....  
PLEASE SUPPORT OUR LOCAL BUSINESSES....THEY REALLY DO MAKE THE "LANTERN" POSSIBLE!
