YOUR COUNCIL AT WORK

The Food Bank at the Township Office is still being well used and very much appreciated. A big Thank You goes out to everyone for the donations.

Renovations at the Municipal Office have now been completed with many positive comments being made - certainly it is a much more efficient area and very pleasant environment in which to work.

The recycling drums in the Delta Park were reported to be a success by Bud. There were between 14,000 to 15,000 cans recycled.

George Tackaberry & Sons Construction Company was awarded the contract for the Burgess Road. Construction is to commence at Highway 15 to the waste disposal site entrance. By the time of publication, this project should be well underway.

The boat ramp on St. Mary's Street in Portland is nearing completion.

Approval was given to apply for an "Energy Efficient" grant for the Municipal Building - the work to be done in 1993.

"Education Continues" The Reeve Howard French and Councillor Don Wills attended seminars in Kingston on "Budgeting" and "Priority Planning"

The Clerk-Treasurer Shirley Bryden, Councillors John Firth and Jane McCabe also

attended a two day "Eastern Ontario Planning Conference" in Kingston. All brought back excellent reports and valuable information which will be useful in making decisions.

The Economic Development Committee met in September with representation from neighbouring municipalities and further details of the responsibilities and functions of this Committee will be available after November 10, 1992 meeting.

The Committee of Adjustment have just been getting their feet wet with a newly formed committee and two staff members. Four applications were studied, commented on and decisions were made. Out of four applications, two were granted and two were denied. Another application had to be postponed.

Delta Town Hall roof is being temporarily repaired this fall by Paul Ostrom, and Council hopes in the following year to have more repairs done on this building, pending funding in the 1993 budget.

Keep in mind on October 31st. many visits will be made by scary "Ghosts and Goblins" looking for treats. Also remember - turn your clocks back one hour.

HAPPY HALLOWE'EN TO EVERYONE YOUNG AT HEART!! WATCH YOUR SWEET TOOTH!!

DELTA FIREFIGHTERS RAISE FUNDS FOR MDA

Delta firefighters were very busy Labour Day weekend raising money for the Muscular Dystrophy Association.

At a road toll in the Village, firefighters raised \$1544.74 through the generosity of passing motorists. To all contributors, a heartfelt thanks for your donations.

The firefighters also operated an evening bingo at Brockville Bingo Country with all proceeds going to MDA. Proceeds from the bingo amounted to \$1993.92. Special thanks to the workers and all of the players.

The total raised by Delta Firefighters this year totalled \$ 3538.66
