Dear Friends,

The Staff of the Scotland Funeral Home believes in the concept of Community Service; giving of one's self to benefit others within our communities. Over the years, we have been privileged to assist many community service organizations with a multitude of projects. In an effort to extend our support and to maximize the use of our donations, we will be offering a yearly SCOTLAND FUNERAL HOME COMMUNITY SERVICE GRANT to be awarded each September. It is hoped that the awarded funds will be of sufficient amount to really make a difference.

Although there can only be one recipient of this yearly grant, We feel that through groups applying for this benefit, there will be increased public awareness of the services provided by local community organizations and the needs of these organizations.

Agencies and organizations which are of a non-profit nature and concerned with the education, health, the aged, recreation, safety and other charitable purposes within our North Leeds Region may apply.

We have tried to keep the rules of application and application forms as uncomplicated and unobtrusive as possible to encourage your participation. We wish you well as you apply for this grant.

Sincerely:

SCOTLAND FUNERAL HOME LIMITED
