PHILIPPSVILLE OUTREACH

NEIGHBOURS

The Philippsville Outreach Neighbours held their monthly seniors dinner. There was a large attendance in the beautifully decorated hall. Mary Sutcliffe introduced the guest speaker, Sam Fleming, who spoke about the transportation costs of running school busses, and what it takes to keep them running, also some of the rules for students and drivers. We have very good busses and drivers. Sam is the area representative on the Leeds & Grenville Board of Education. He answered questions asked by some of the parents. Anna Greenhorn said grace. A delicious dinner was served by the helpers. Joe Raison auctioned off some lovely African Violets, donated by Kaye and Don Williams, many thanks to them and all who help with our dinners. July 4 is the date for the next dinner. Leorene Hayes

CHAFFEY'S LOCK WOMEN'S INSTITUTE

The May meeting of the Chaffey's Lock Women's Institute met at the home of Don and Mary Warren. Many years ago the Warrens bought the farm that was known as the Regan farm and over the years have enhanced, rather than modernized the property. The large glass windows in the dining area look out over a long sloping lawn and garden to Opinicon Lake. The women had their refreshments and appreciated the sheer beauty of the place.

At eight o'clock, President, Kathy Eberhard introduced our guests - Mrs. Donna Robinson, Michelle Bryden, a student at RDHS, and Soviet student Oksana Dykan of Donetsk, Russia. Although Oksana speaks English quite well, Michelle answered most of the questions and told of her visit to Oksana's family. The girls had become pen pals many years ago and have exchanged visits and gotten to know each other's families as their own. It was interesting to hear that life in Russia is much like that of Canada. The climate is similar but Michelle was urged to dress much more warmly than she was used to doing. Oksana's mother insisted that she wear a hat, scarf, mitts, heavy coat and boots. The girls wear skirts to school and the boys suits or dress slacks, not blue jeans. Michelle found that the level of studies in Russia was advanced, especially the math. Since Oksana has been here, she has visited Toronto to see "Phantom of the Opera", also Ottawa, Niagara Falls, Kingston and areas around Elgin.

It was such an interesting talk that the women were reluctant to let the girls go, but we realized that they had had a very busy schedule and were tired. President Kathy thanked them and a cheque will be sent to help cover some of the travelling costs. The families of the girls foot the expenses and it is very expensive. Both of Oksana's parents are teachers but find that it is a drain on the budget.

Because of the time, the business part of the meeting was kept to a minimum. Mary Warren gave a report on the District annual held on May 16 at Lombardy. The roll call was, "Share an interesting travel story". Some of the members travel extensively in the winter months and the stories were interesting.

Secretary, Eleanor Pinsonnault read the minutes of the last meeting and President Kathy read a letter from Nancy Hayes,

leader of the 4H Club which the Institute sponsors. The 4H extended an invitation to the members to attend a pot luck supper at 8:00 p.m. at the Elgin Lions Club on May 24. President Kathy thanked Mary for the use of her home and the hostesses for the delicious refreshments. A plant

auction was conducted by a knowledgeable auctioneer, Anne Barton, and a few dollars were raised for the WI treasury. Next meeting will be June 18 at Bea Hughson's. Hopefully, many of the summer members will be back and in attendance. Everyone is welcome. Thea Dodge

ATTENTION: MEMBERS OF THE BOARD

Dear Members of the Board:

The grades 1/2 class at Beverley Elementary have visited the Rideau Lakes Library in Delta every other week since September.

Mrs. Lois Braidwood (and her substitute), has been an excellent help to both the students and myself.

Books and films have been readily found for us on any topic we have been studying. In some cases, arrangements have been made to deliver the books to the school.

The students are welcomed, and they love the weekly story that is read to them

I want the Library Board to know how much we appreciate the services of the Library and, especially, Mrs. Braidwood.

Yours truly,

Lynda Westcott
