Kids! Register now for the Captain Book and the Bookneers Club! And do so early as the Library has a limited amount of coloured bookmarks, colouring sheets, balloons, games.

Parents! Don't forget Saturday, July 13 - the Library Book Sale. Remember donations are accepted up to July 6. And what lovely donations we've gotten! Many thanks!

To the Editor, a personal (that's me!) opinion.

We have tried to present a summer and a winter program, not only to provide activities for our young people but also to provide some cultural outings for everyone. (Yes, I know; "cultural" is a four-letter word to some). Turnout at our more serious attempts is not good. And not helped by the presence of rambunctious, cranky, irritable children. If you must bring a small child (couldn't get sitter), or wish to expose your youngsters to some of the finer (my opinion, don't squawk!) music, please have your child well-rested. And if they become restless or fed-up please take them **OUT!** A cranky child guarantees **no** repeat attendance.

Yes, our concerts are subsidized but only if there is community support. We will need **S.R.O.** at all the summer events. Please support us. See you July 13. Have a good safe summer.

Jose Mann

Our thanks to the local stores that sold the daffodils, to Lee Ann Serson, Martha Thompson, Donna Robinson, and the Rideau District High School Yearbook Committee for holding their second annual Rockathon, to Gloria Scott for arranging the campaign meeting and for her continued support, to the stores, beer and liquor outlets that displayed our coin boxes.

Our thanks to Mr. Phil Rutherford and Mrs. Brys Scovil for their articles and displays in the local newspapers, The Mirror and The Leeds Lantern.

The support of the Leeds Unit, Greg Grange, Robin Hoye and Lyn Caparelli has been very much appreciated.

The Captains and canvassers deserve a great deal of credit, without them nothing would get done.
